Laughter
Class of

Rules"

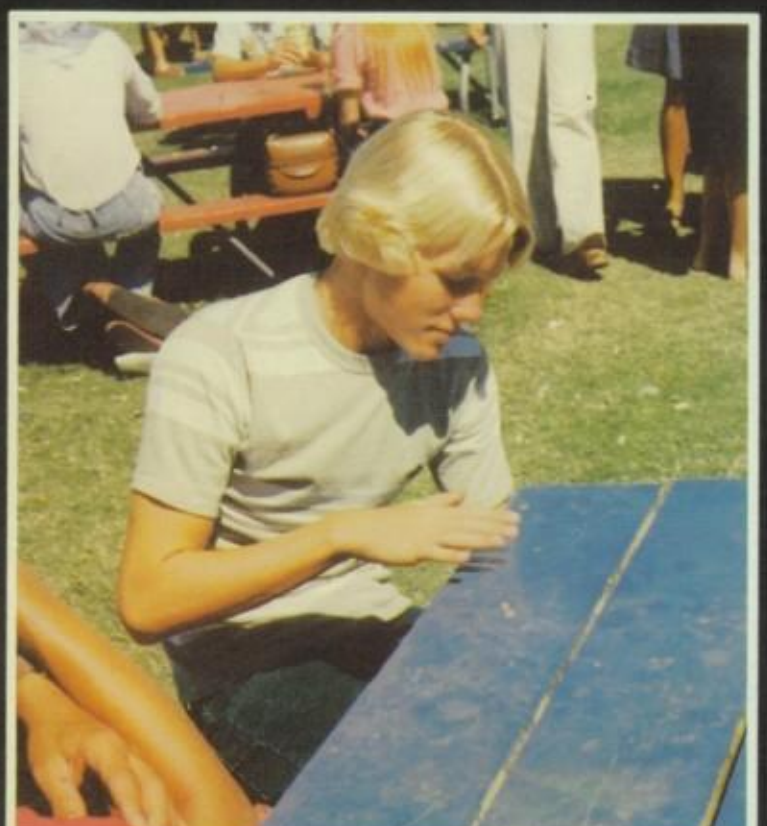

Light the corners of my mind.

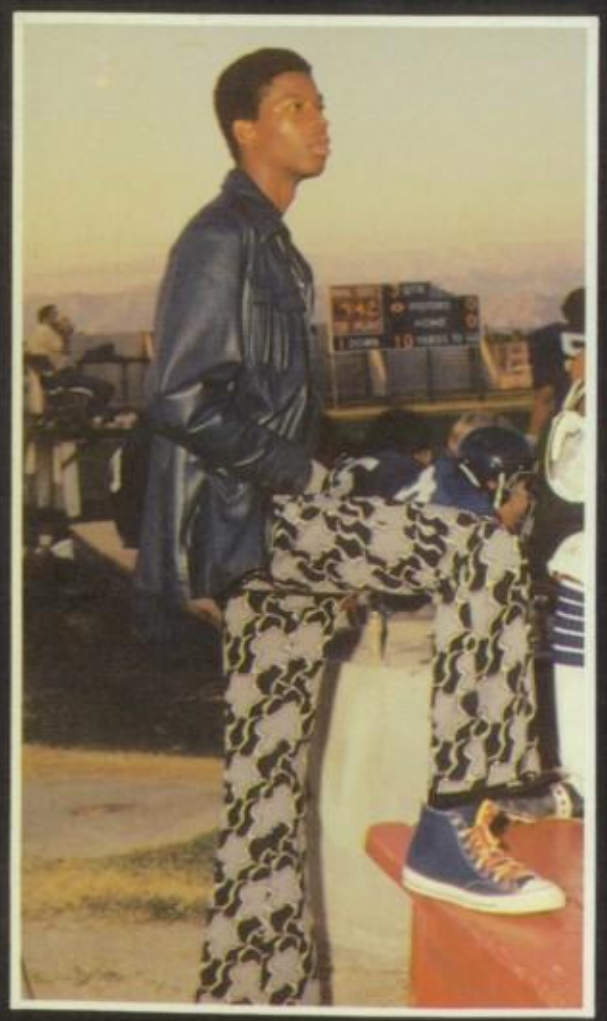

Misty water

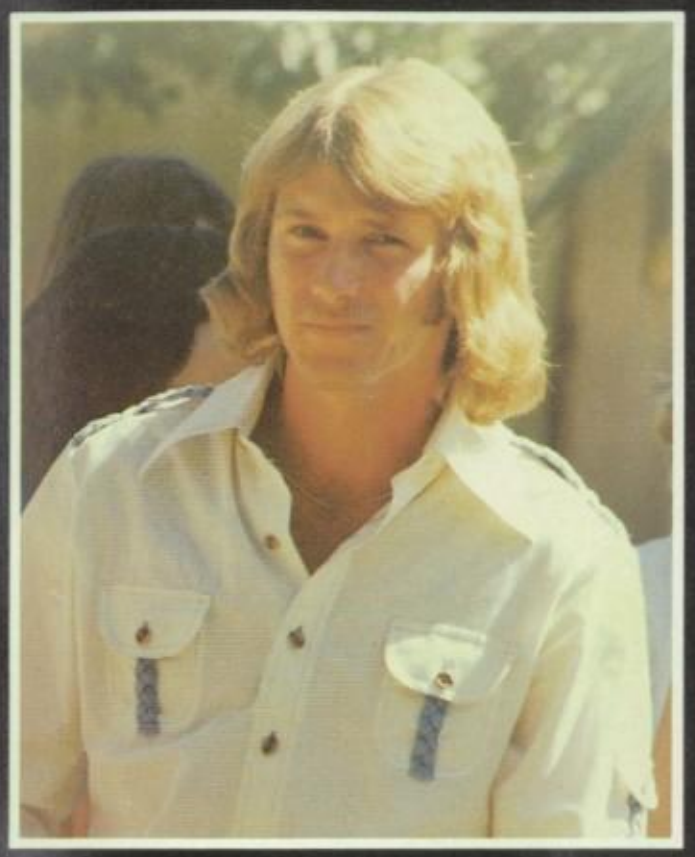

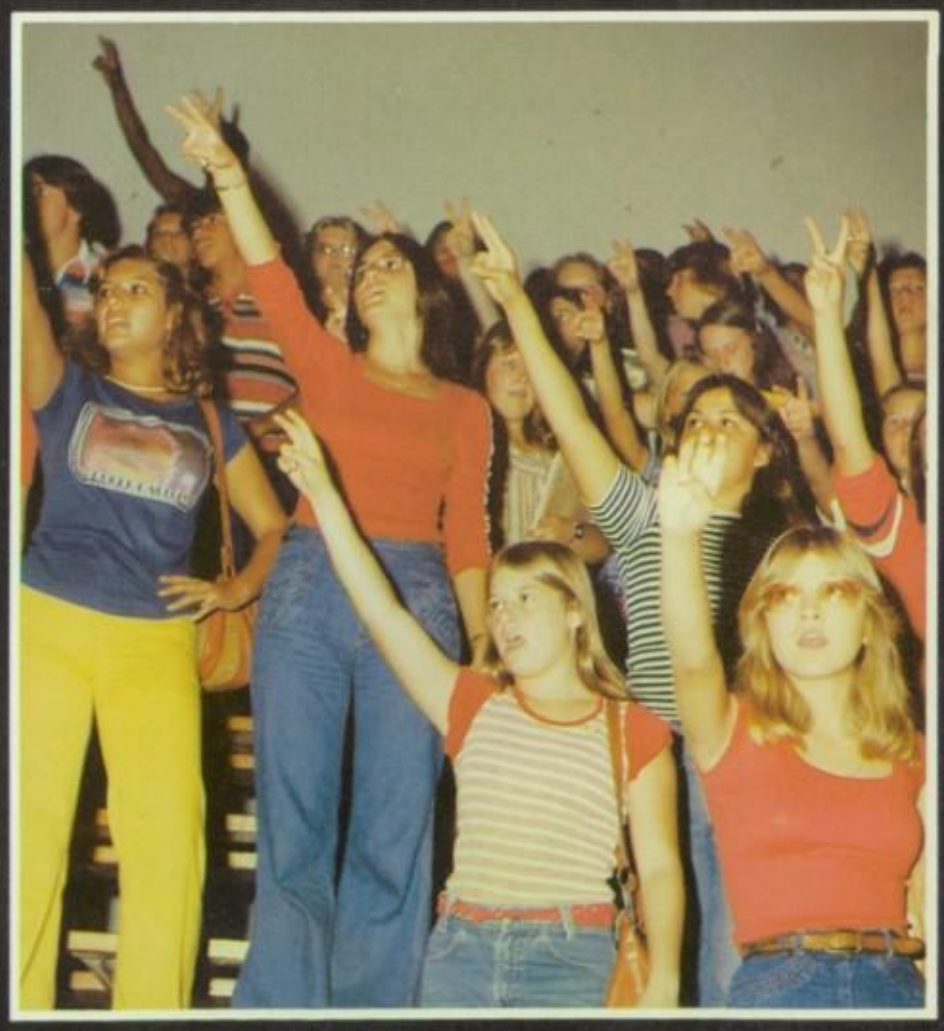

color memories of the way we were.

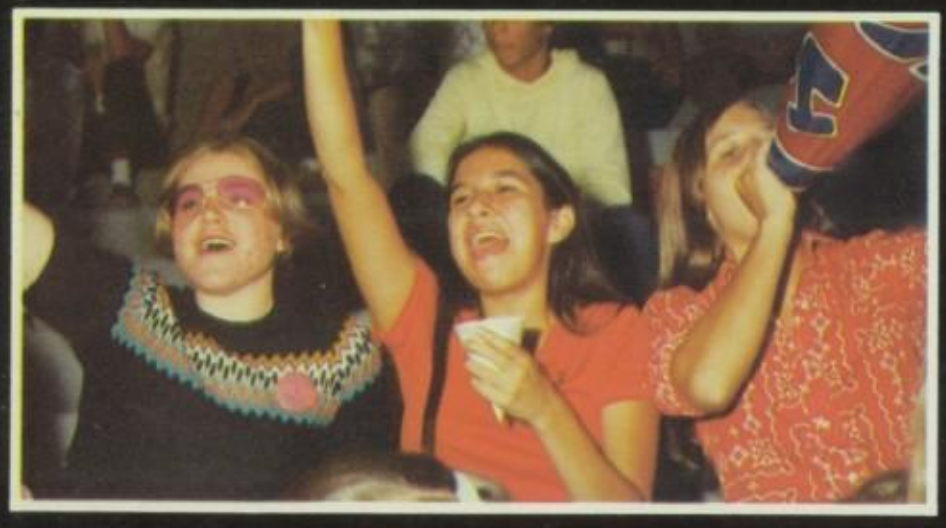

Scattered pictures

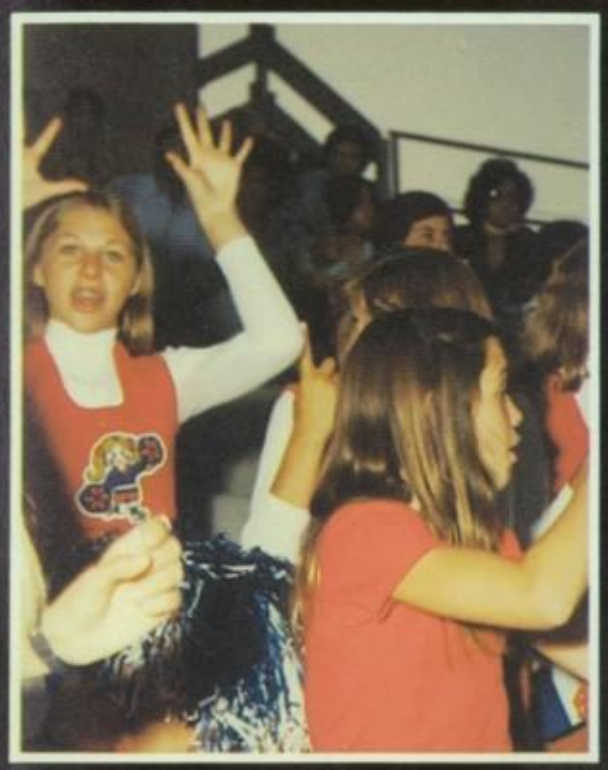

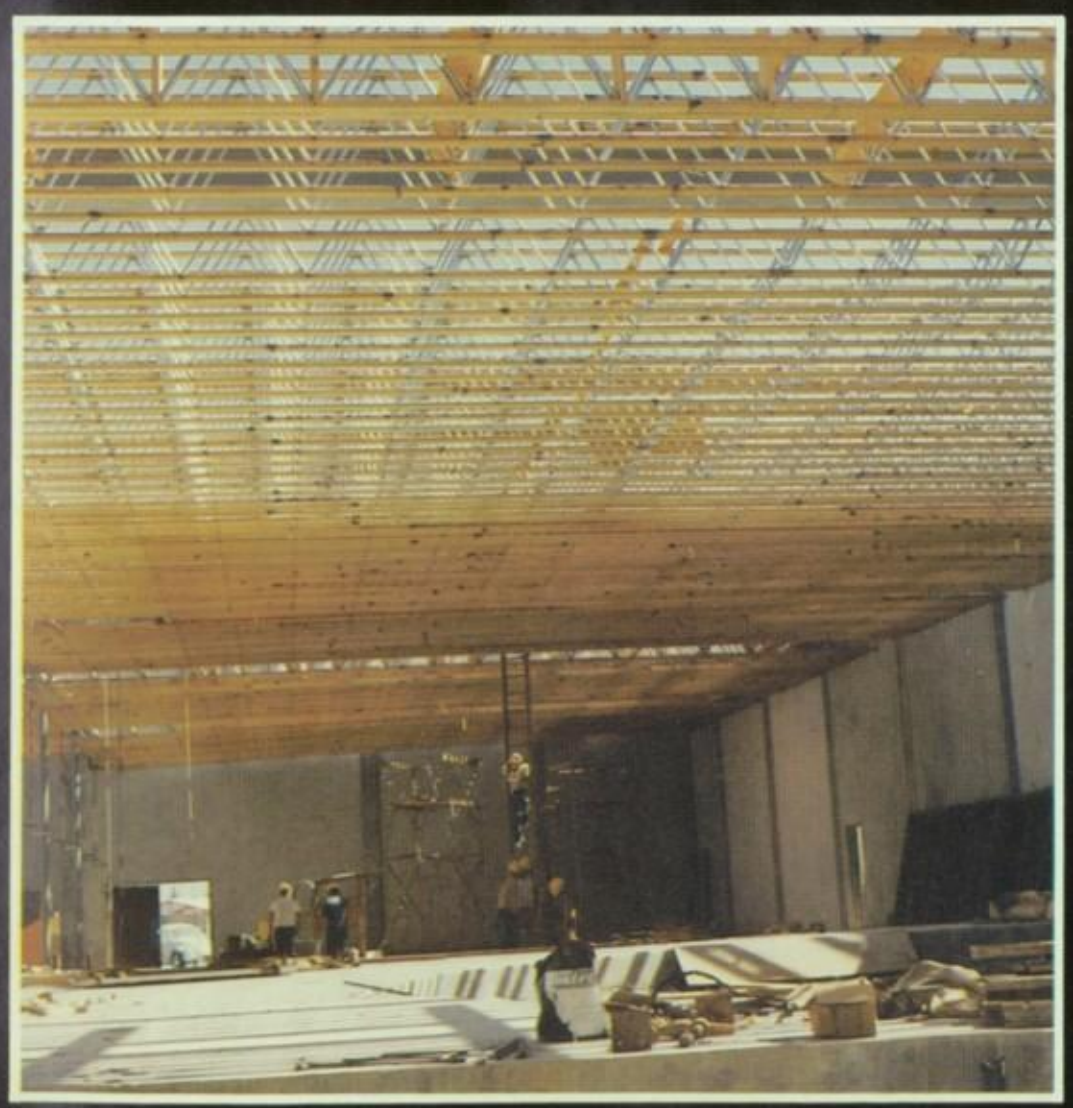

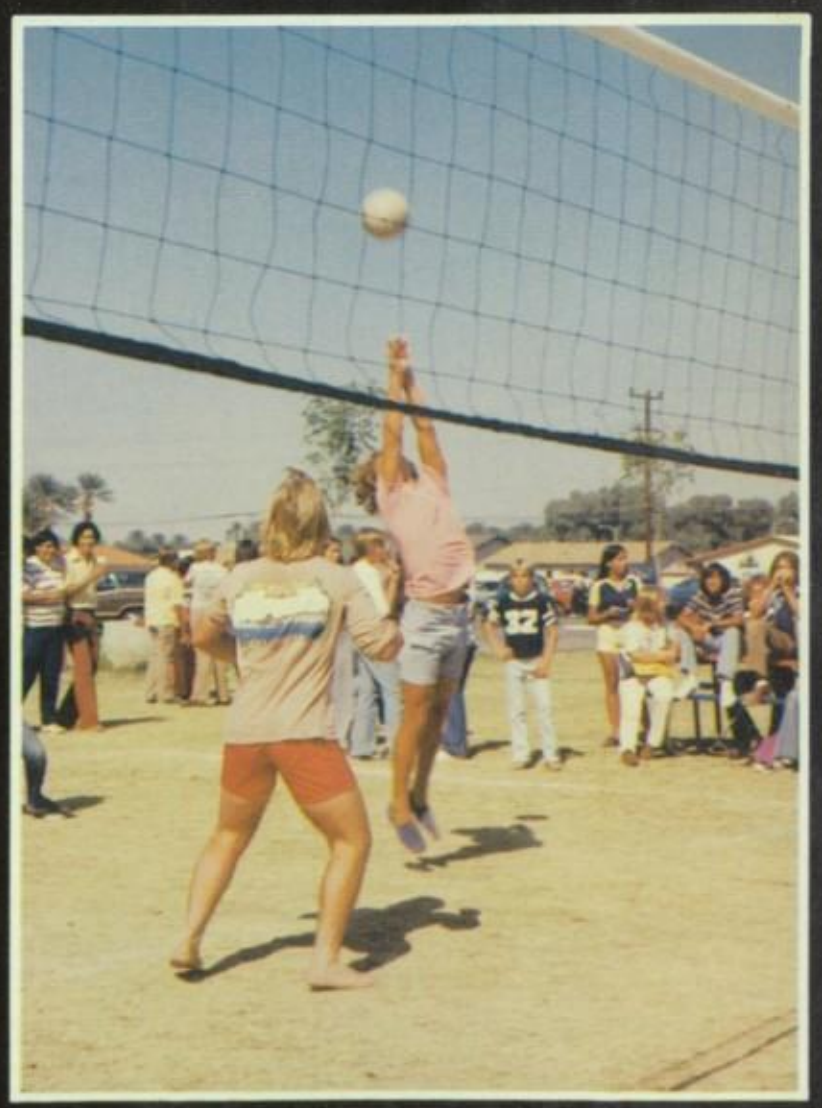

of the smiles we Left behind

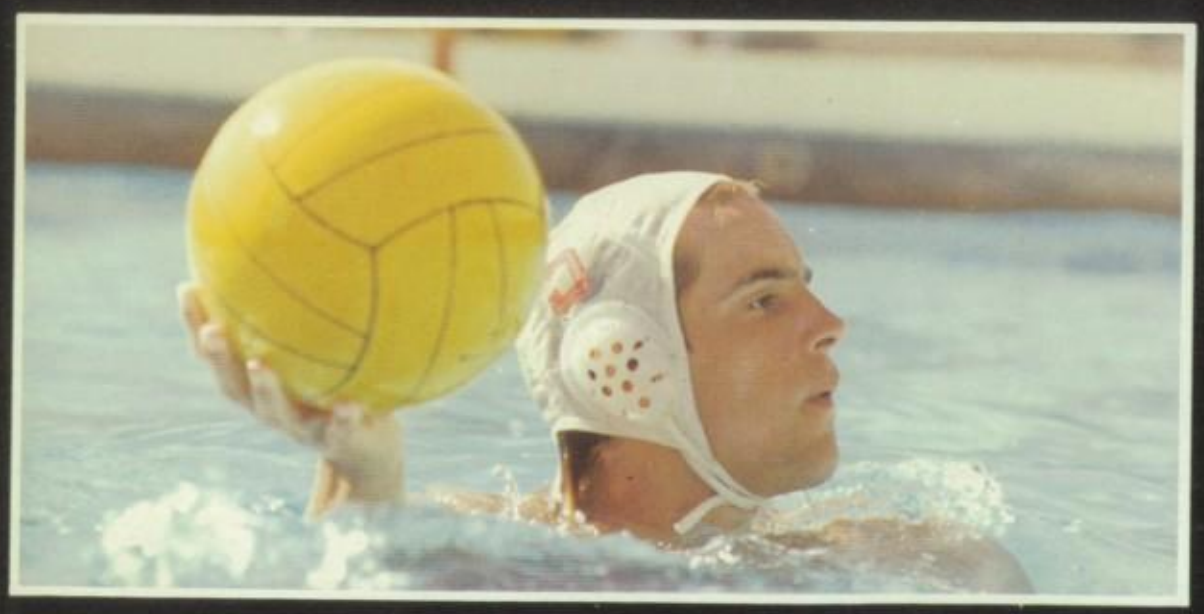

Smiles

we gave to one another for the way we were.

Can it be that it was so simple then, or has time rewritten every line?

If we had the chance to do it all again, tell me would we? Could we?

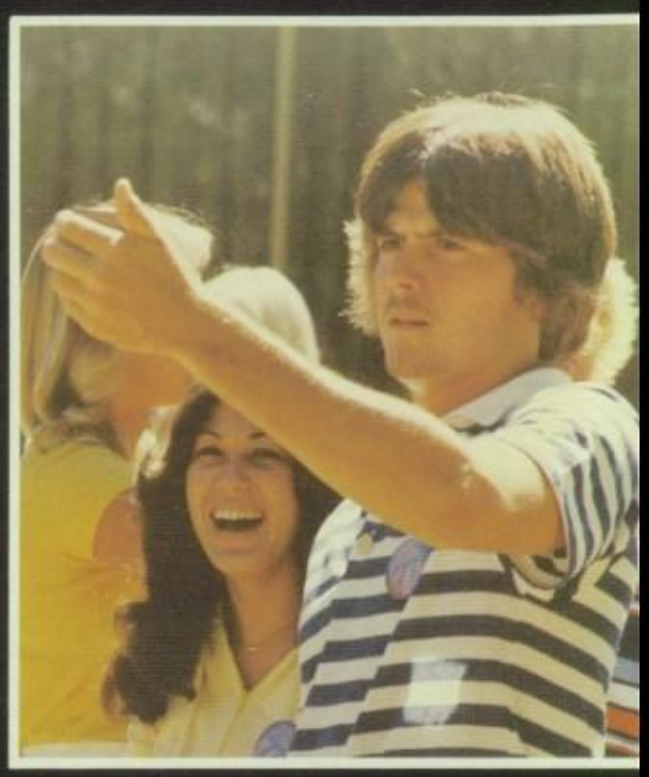

Memories may be beautiful and yet

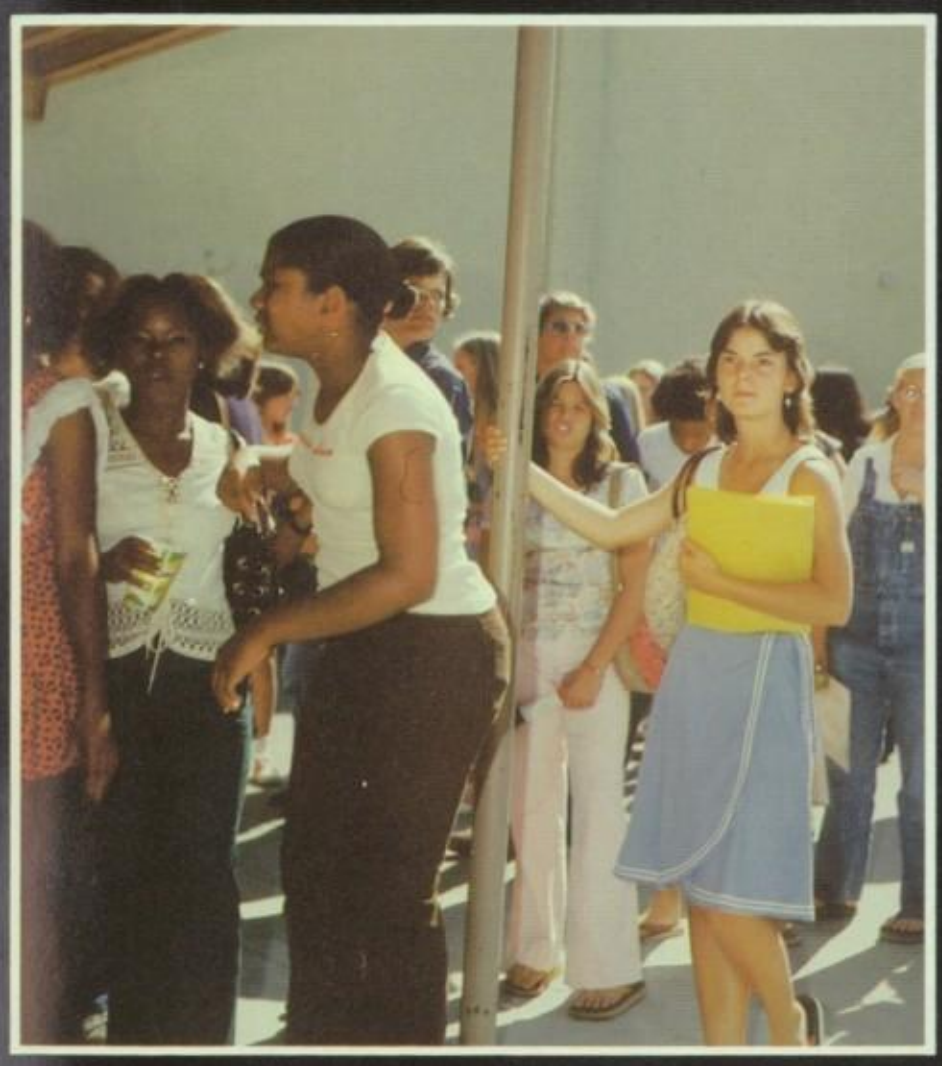

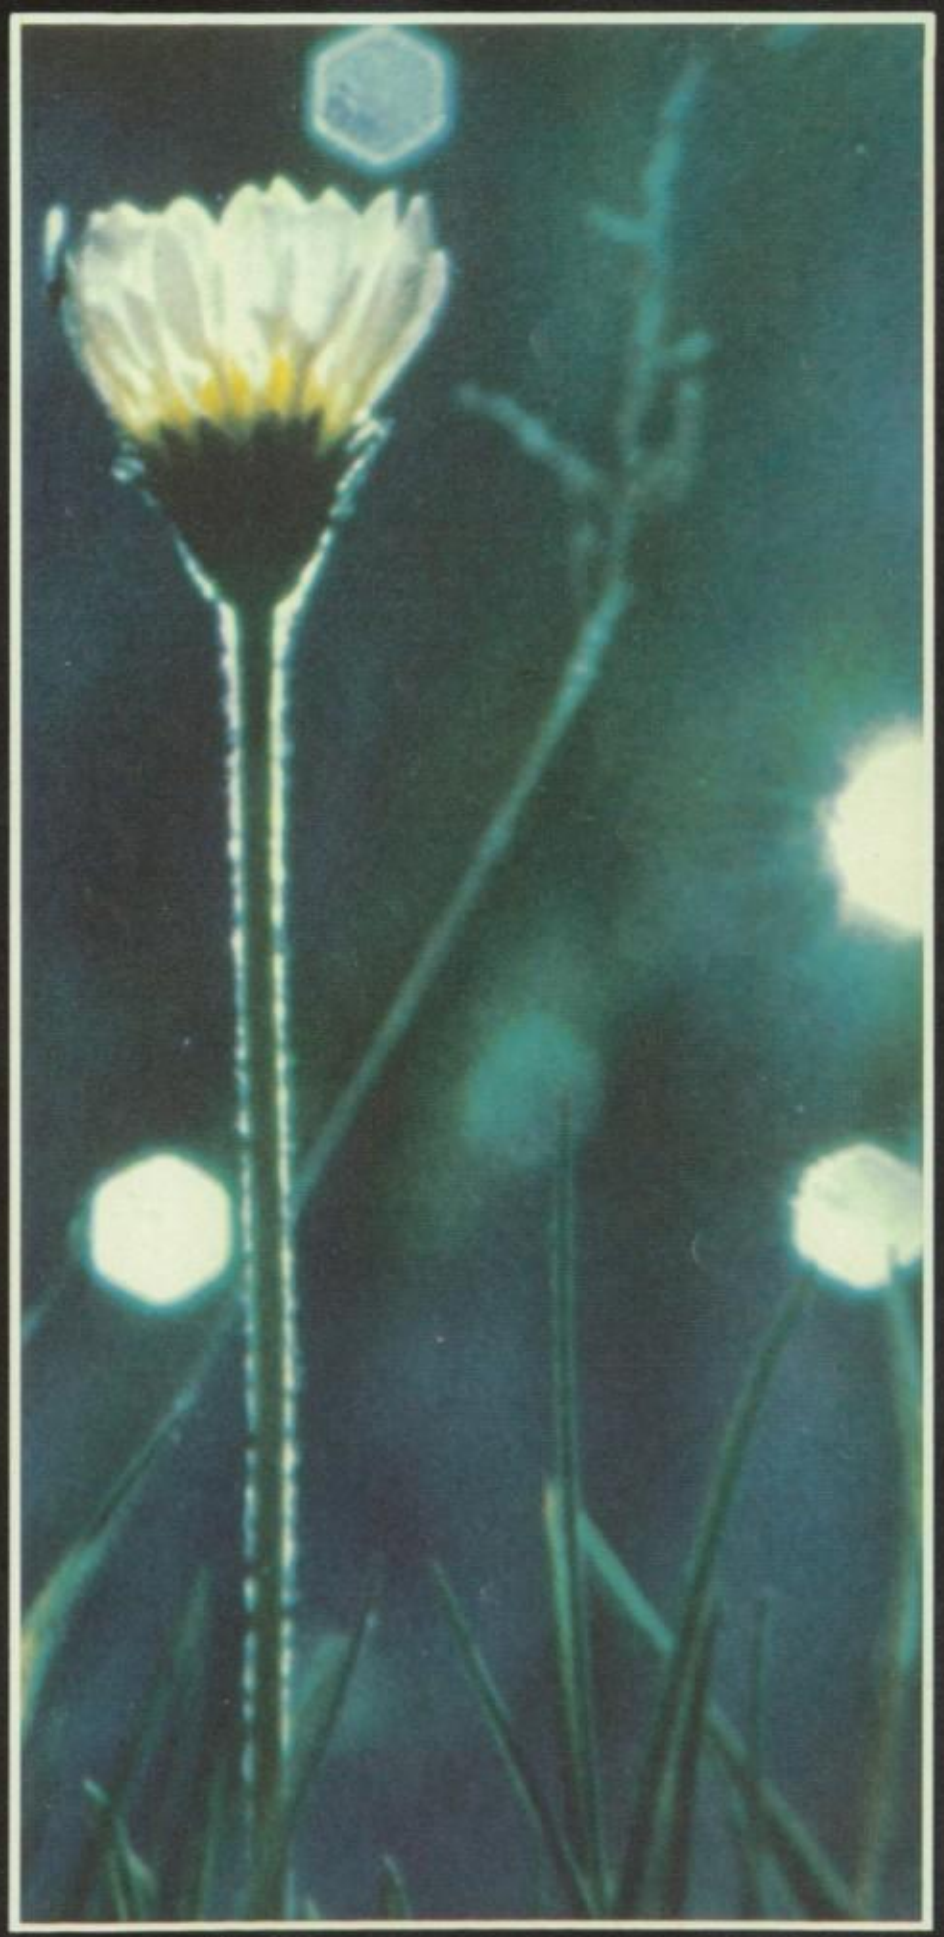

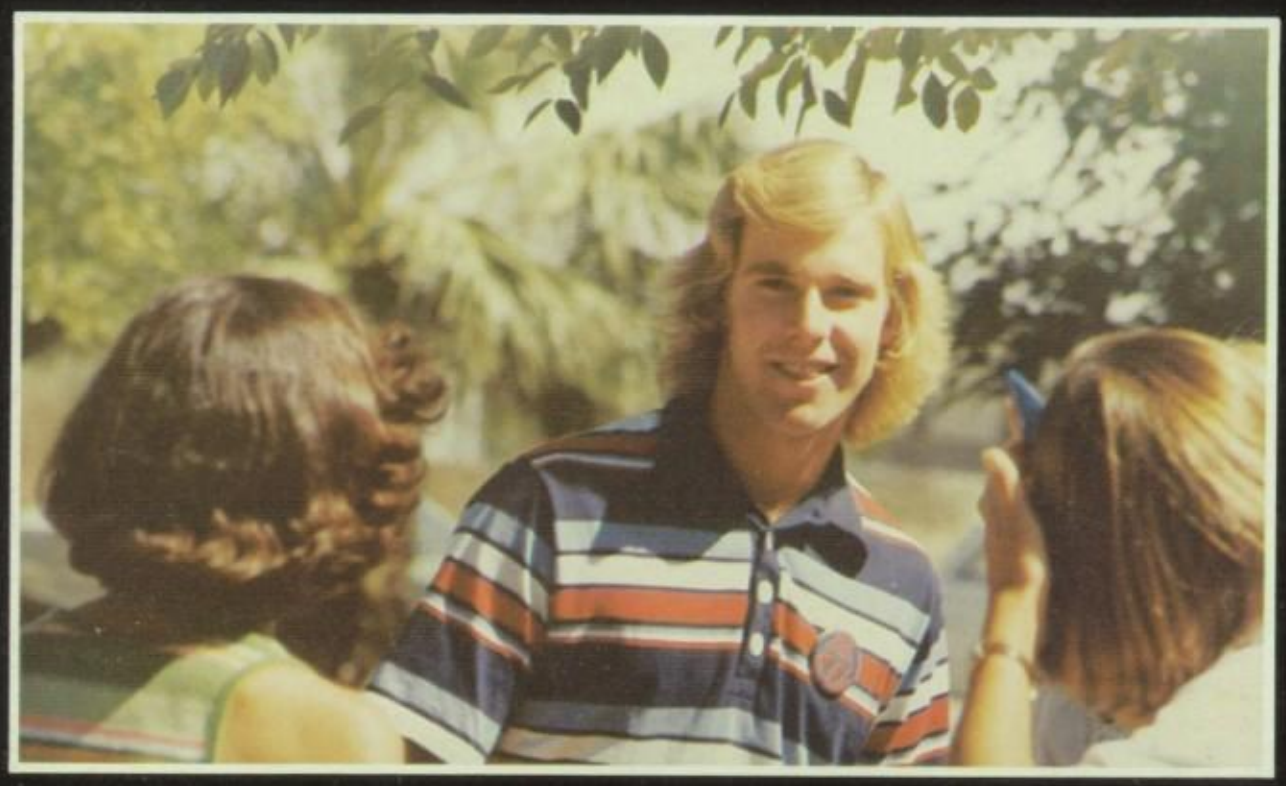

what's too painful to remember, we simply choose to forget.

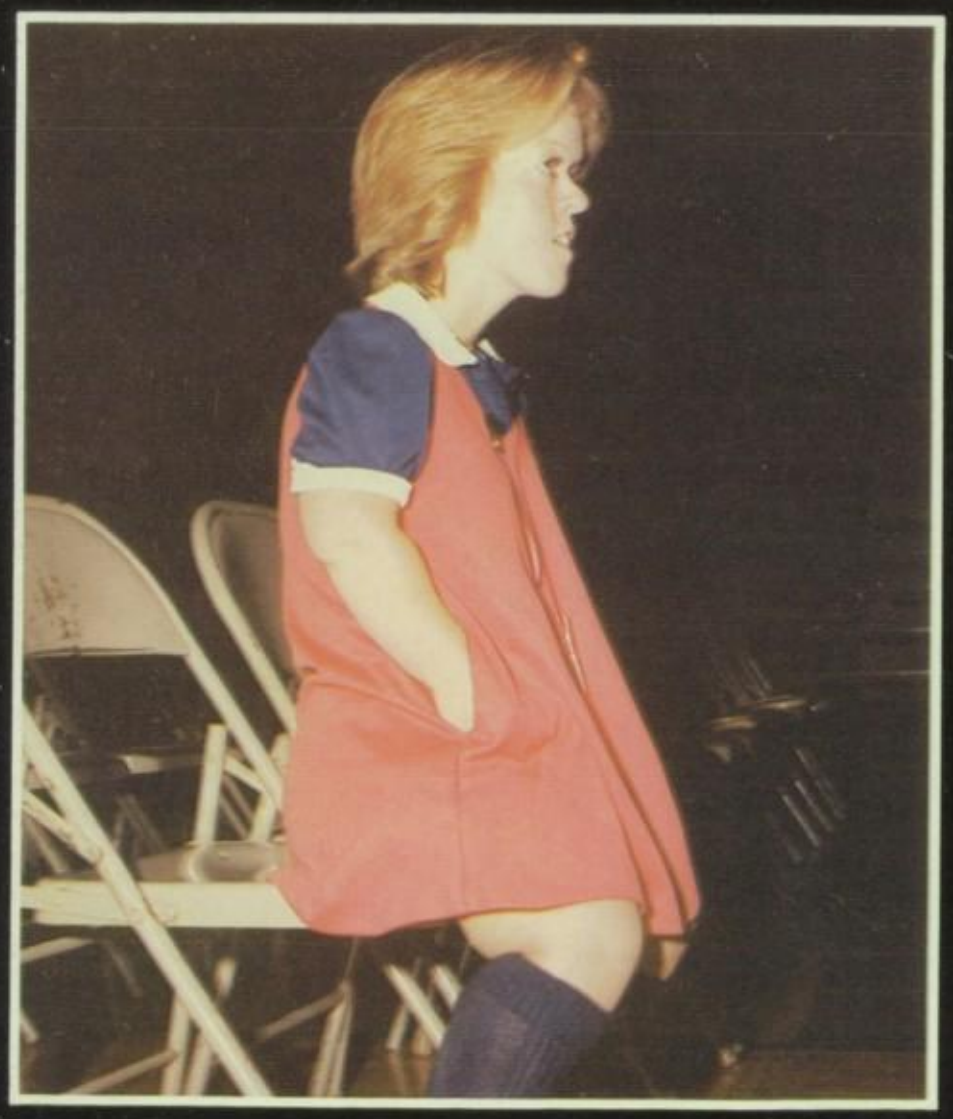

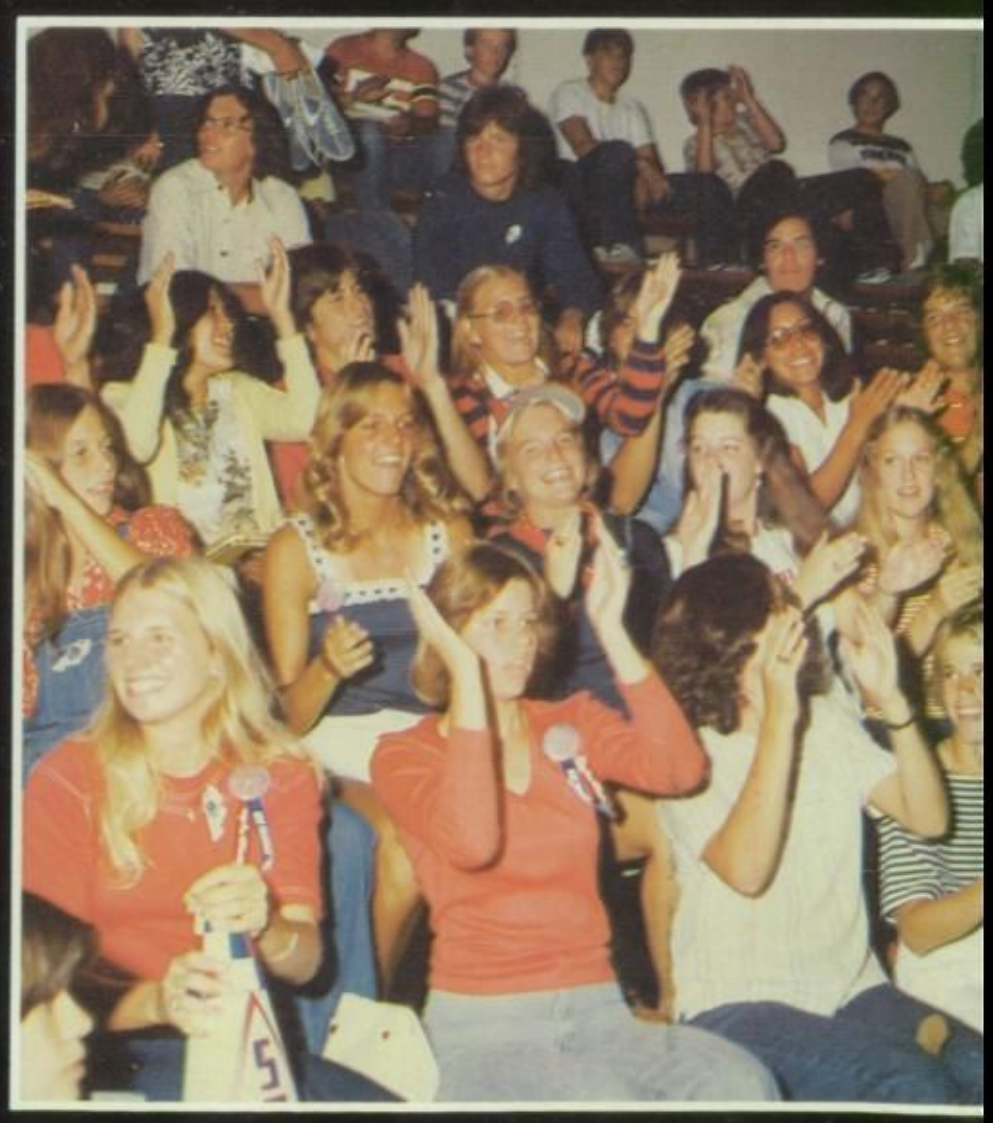

So it's the laughter we will remember,

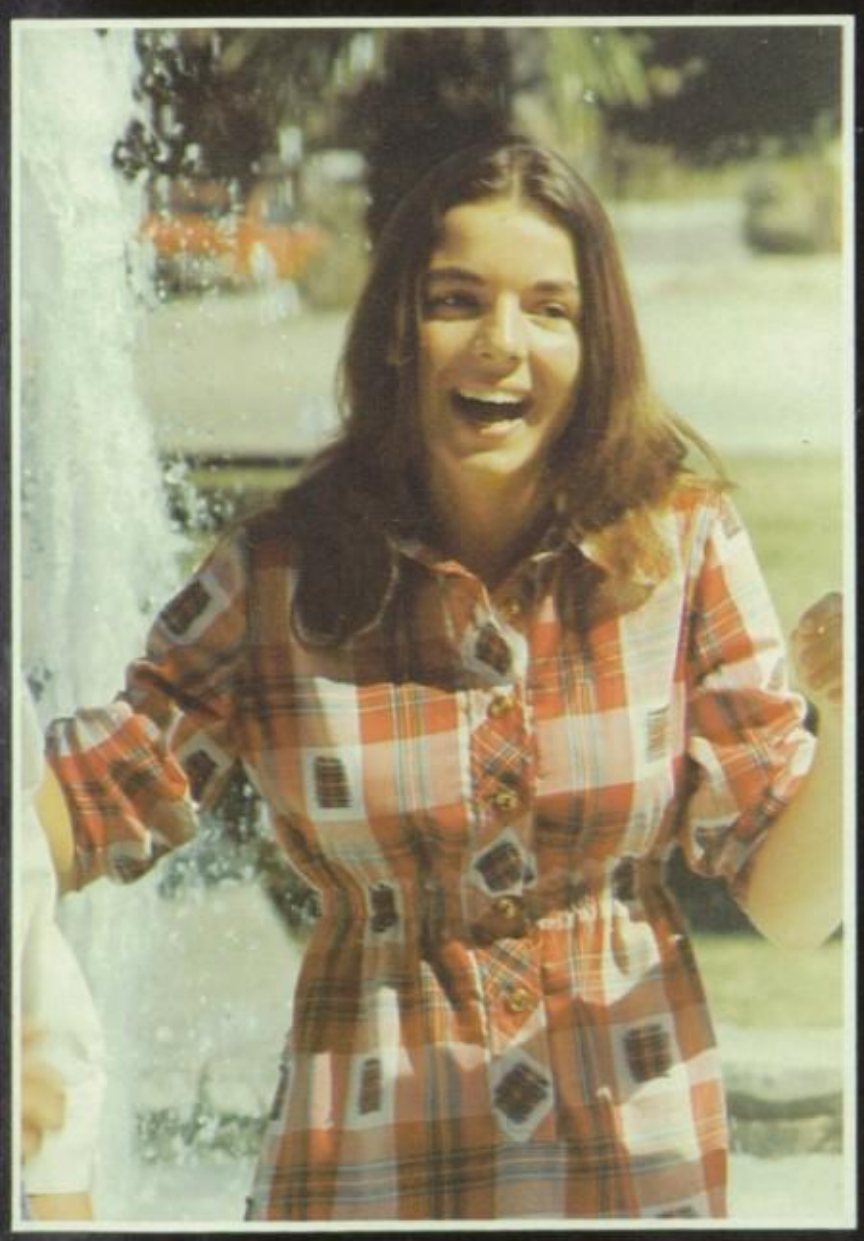

whenever we remember

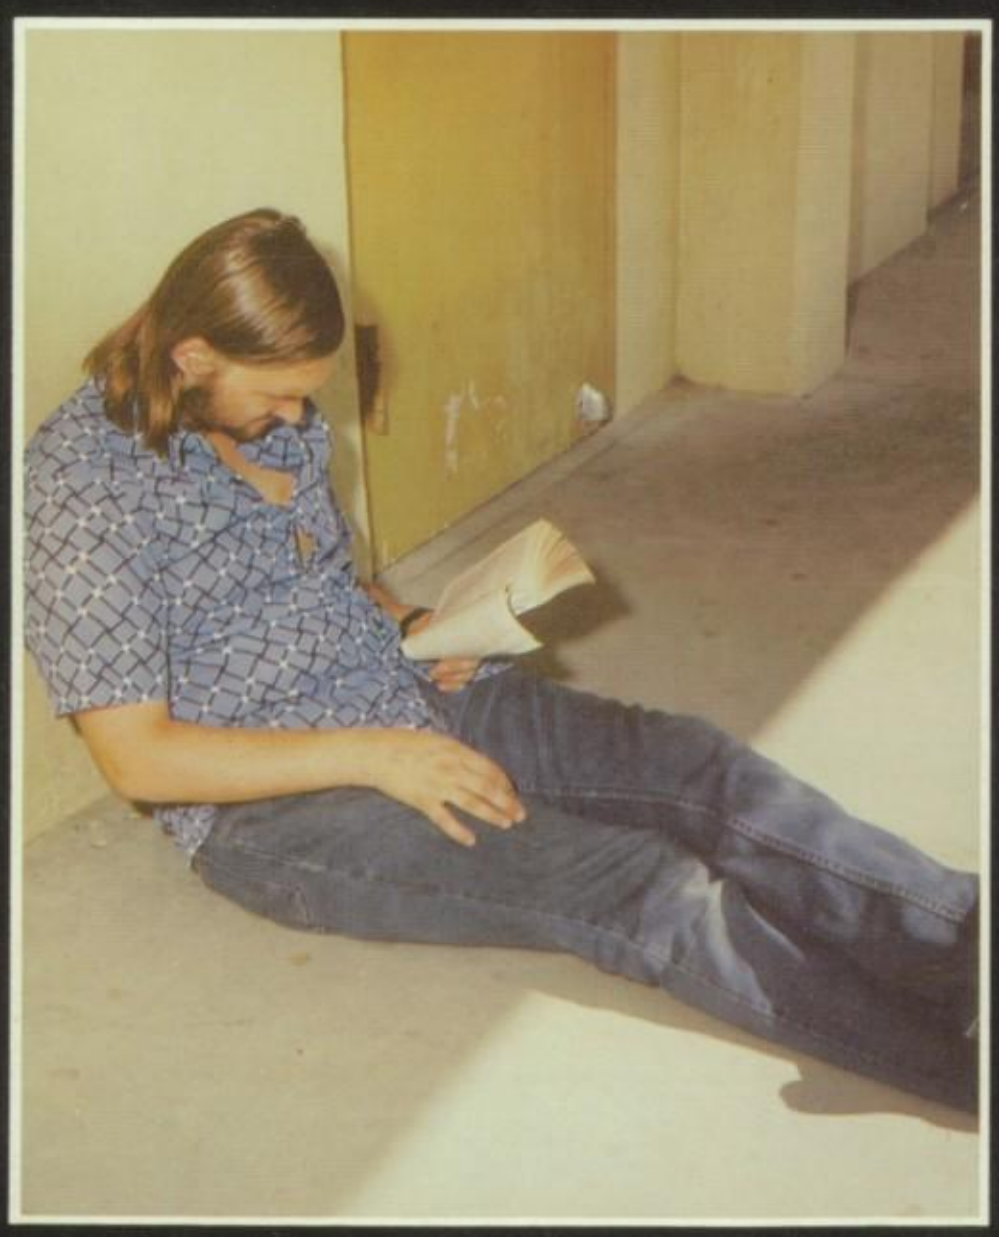

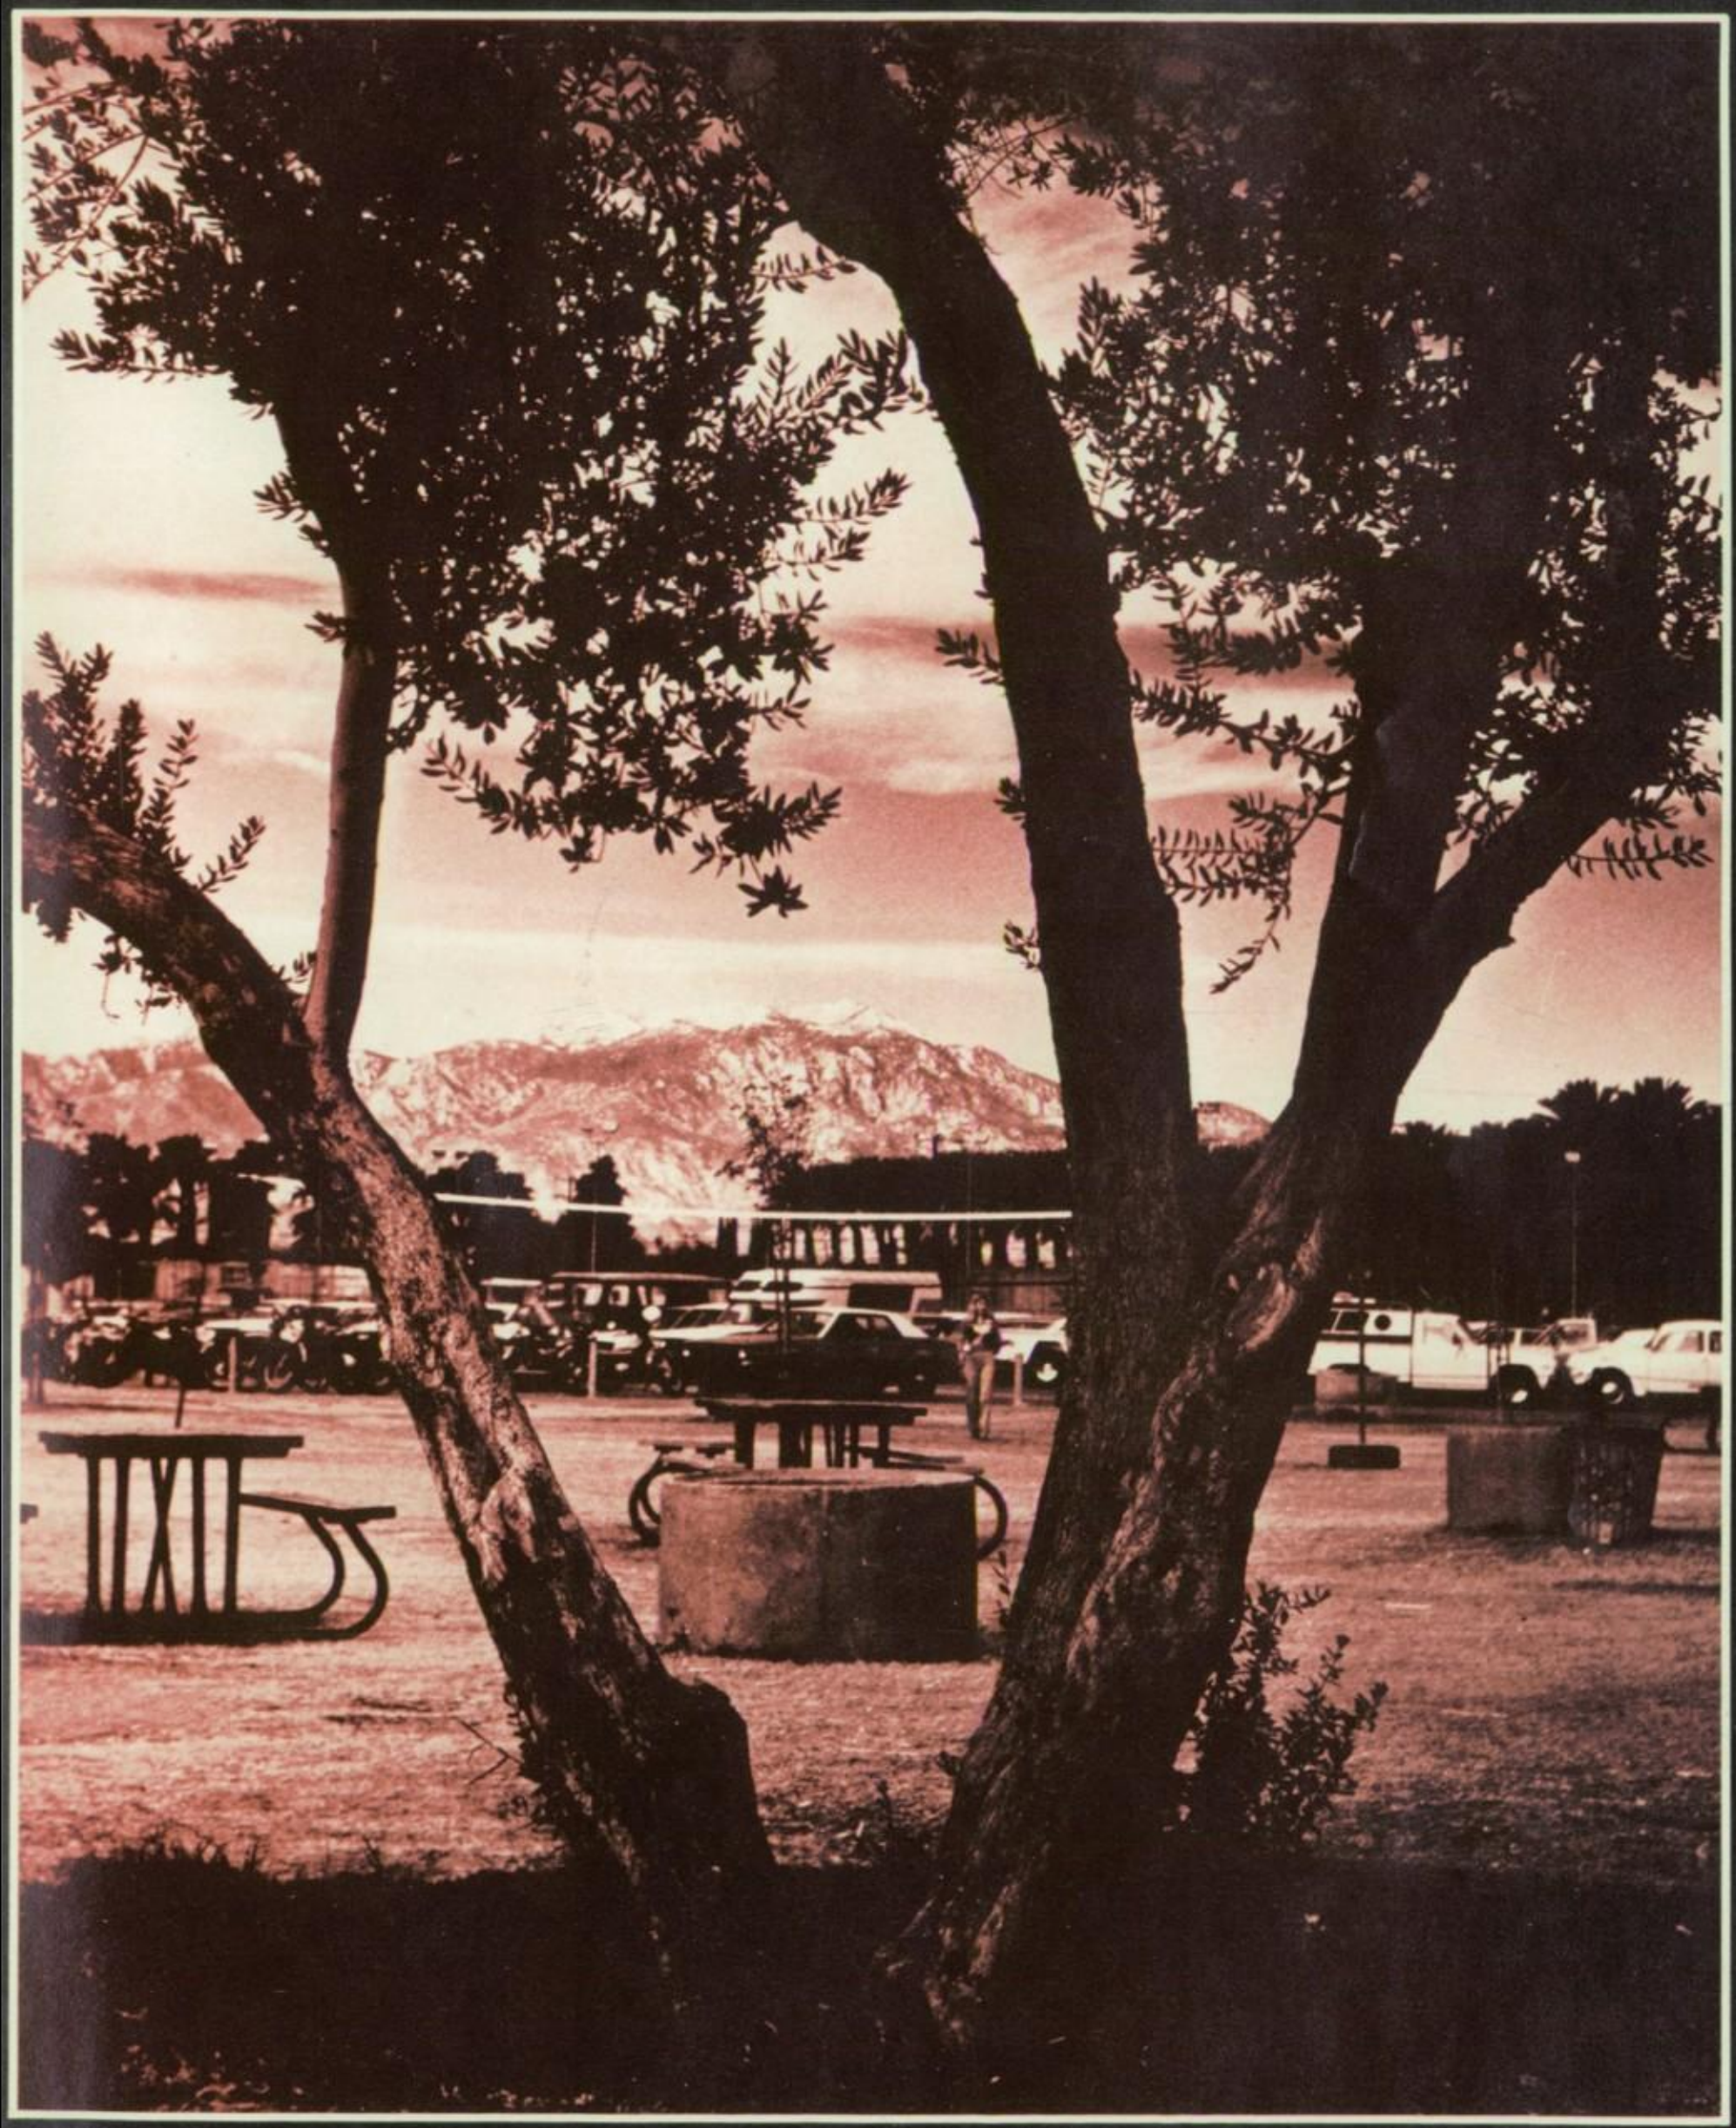

the way we were.

STUDENT LIFE

Homecoming 1976-1977

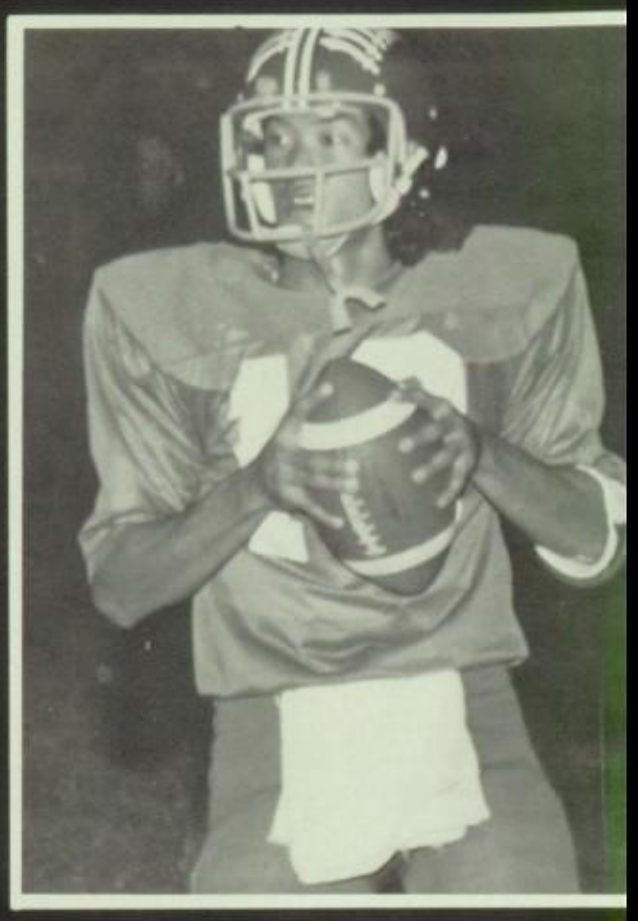

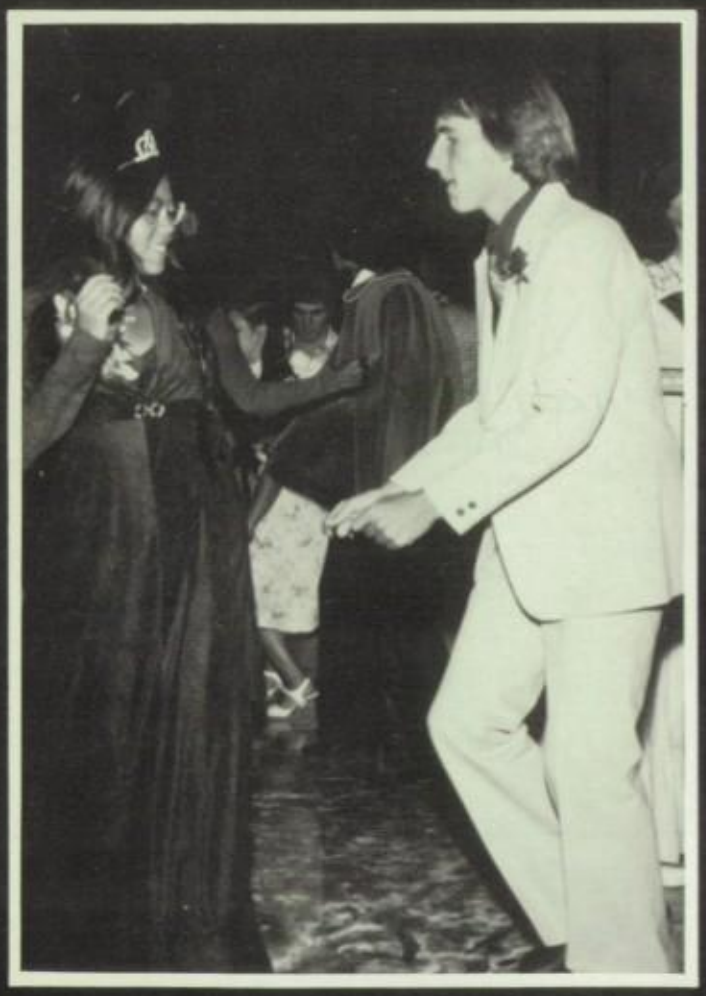

The Thrill of Victory

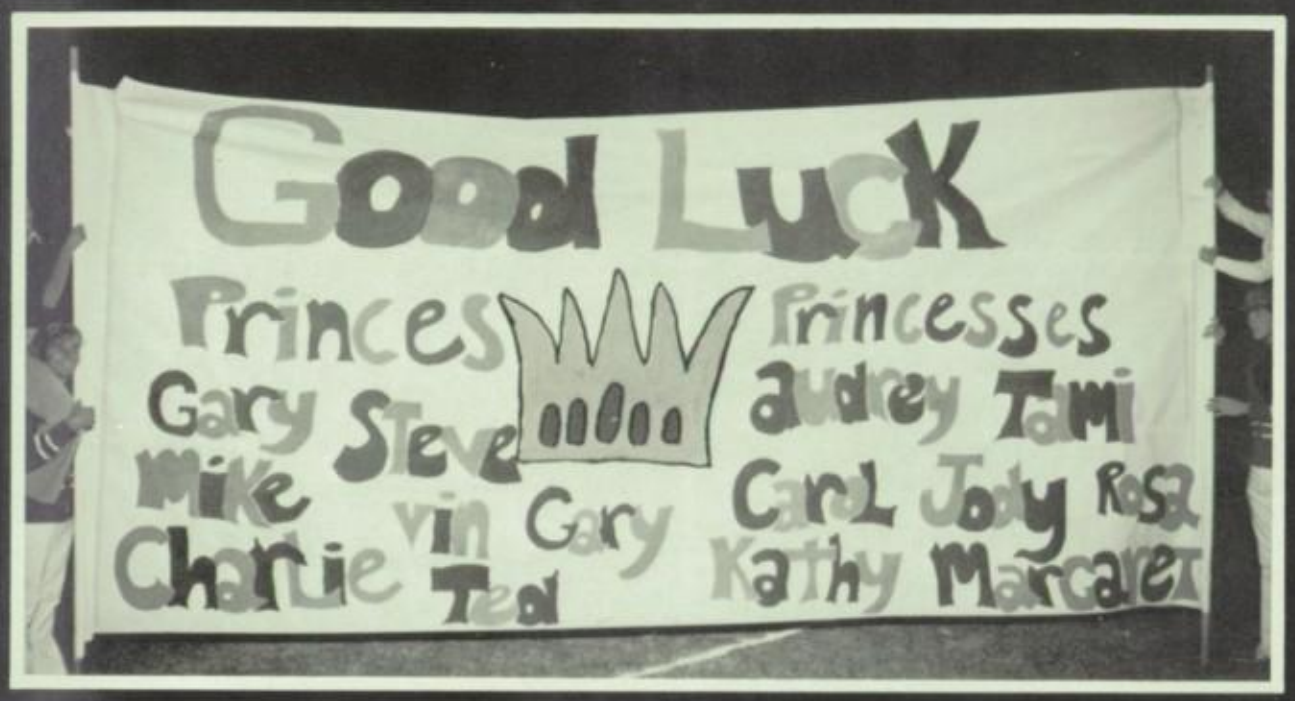

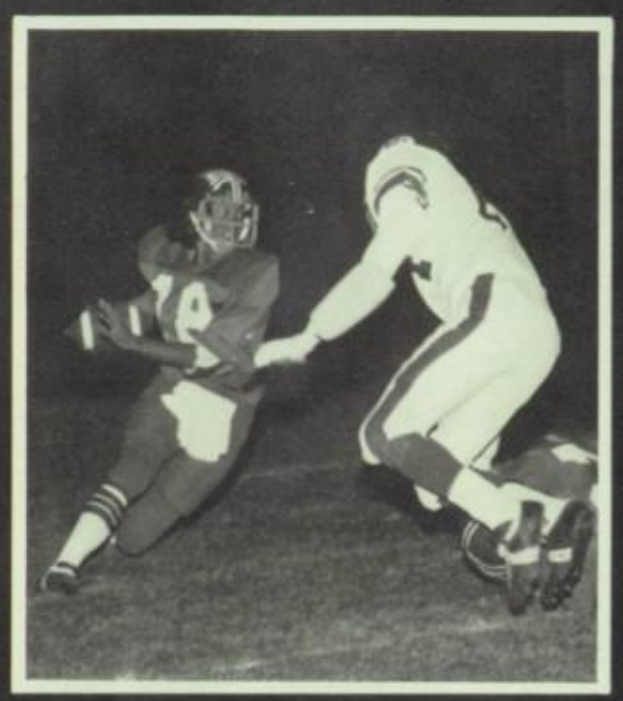

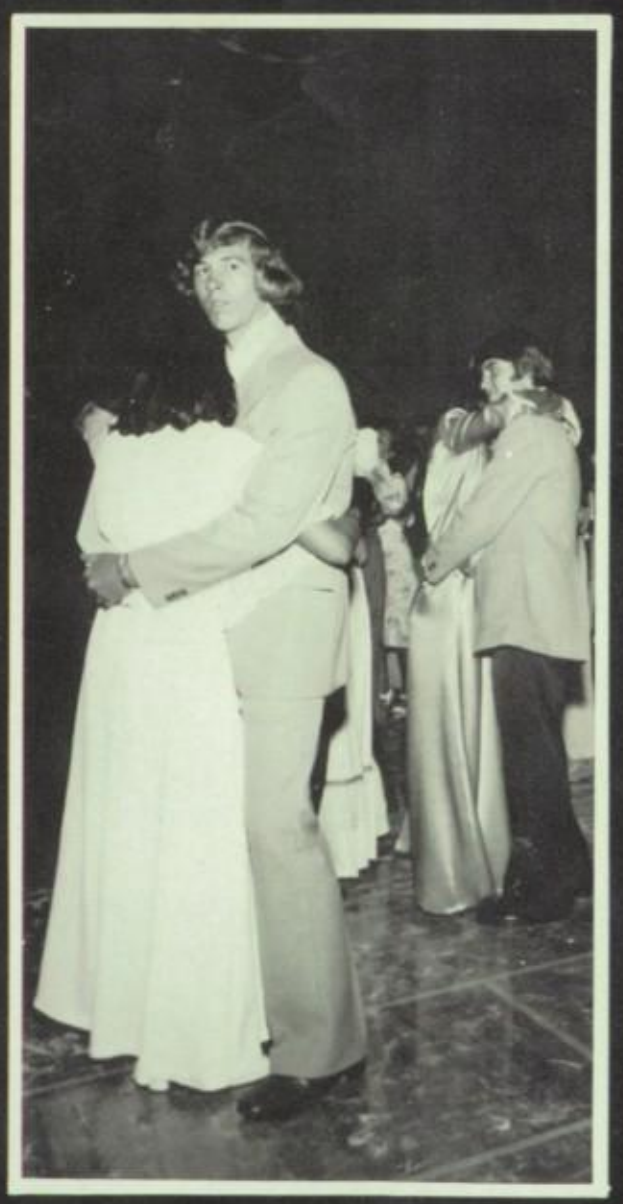

Tami Hop shows surprise after being announced the 1976 Homecoming Queen for Indio High School. King Steve Nagata led the Rajahs to a 28-22 victory over the El Centro Spartans in the second half of action. The night was filled with tension and anxiety for both the crowd of alumni and other spectators. A "Dream On" theme set the stage for Homecoming Dance following the game.

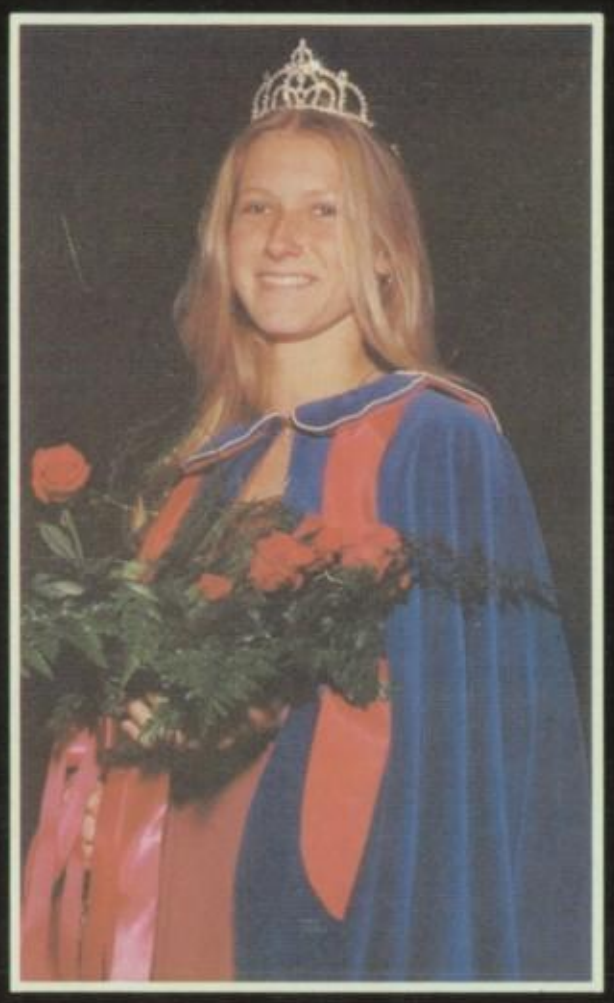

The Homecoming Queen and Court Reign

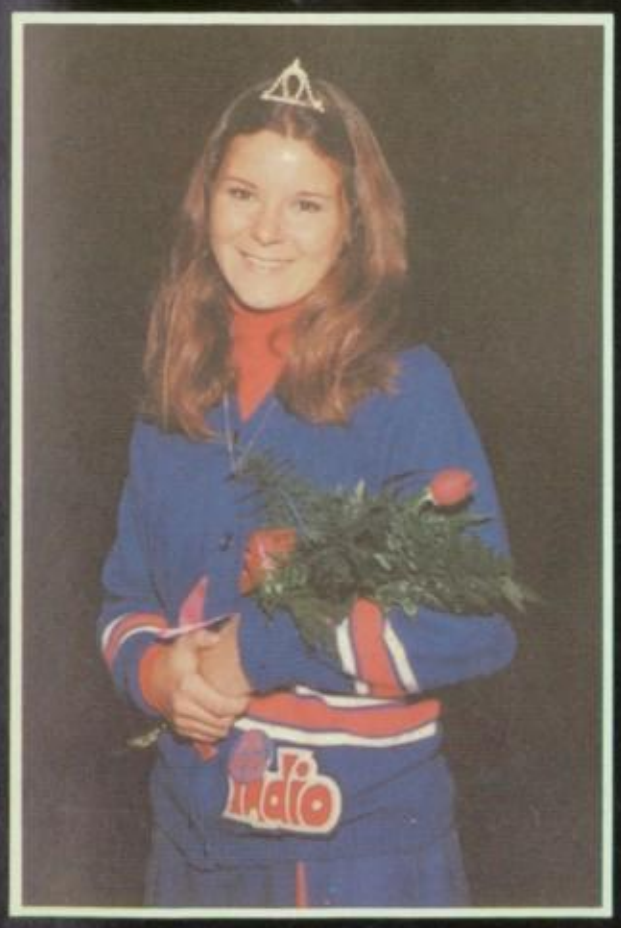

Homecoming Princesses Rosa Ornelas, Margaret Moran, Kathy Granados, Audrey Arita, Yvonne Lengstorf, Carol Bishop, and Jody Johnson smiled as Queen Tami Hop was crowned by last year's queen, Sally De La Fuente. Princes were Ted Sakai, Greg Hutt, Sam Cisneros (escort), Charles Housewright, Angus West, Gary Boydstun, Vin Rover and Mike David. King Steve Nagata and Prince Gary Willis were with coaches and team during the half-time show.

Homecoming Week Features Lunch Activities

Class competition sparked fun and excitement during the "Way Out Games" for the Homecoming Week of 1976-77. Gary Boydstun had a hair-raising experience as he hopped to the finish, while Chris Tiger grimaced his dislike for mud. Jenn Stein and Charlie Housewright needed a little push to make it to class on time.

Music Makers and Entertainers Perform

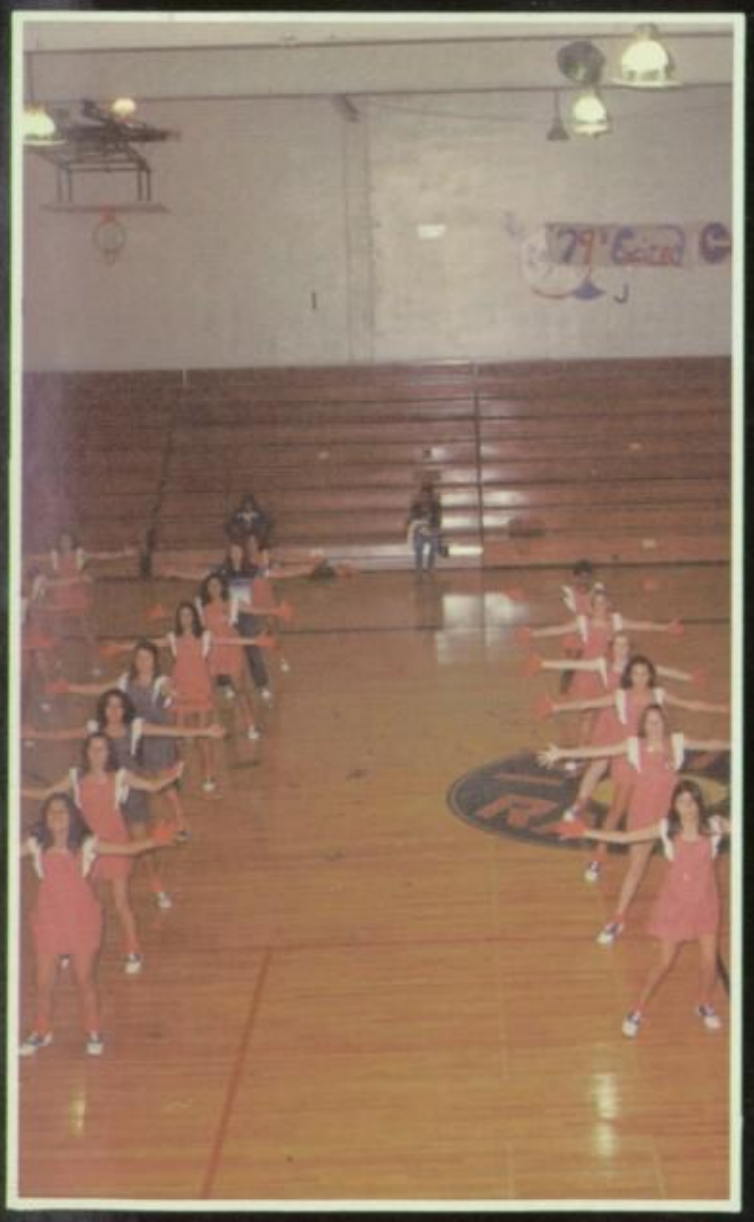

The Indio High School Band, Sandpipers, and the Majorettes were there to make the show go on. Majorettes Kerri Gilbert, and Kim Manderschied dazzled the crowd with their performances, as Mascot Pam Kendall awed the crowds with cheers.

Student Council Unifies School

ASB OFFICERS

Top Row, Left to Right: Jeff Smith, Advisor; Lori Circle, Secretary; Sam Cisneros, Treasurer; Mary Henderson, Commissioner of Athletics; Charles Housewright, Vice-President; Margaret Moran, Commissioner of Spirit; Mike David, Commissioner of Activities; Francis Shirley, Director of Publicity; Vin Rover, President; Linda Crisman, Commissioner of Assemblies.

The 1976-1977 Indio High Student Council set four major goals this year. They were as follows:

1. To increase communication and understanding between the administration, faculty, and students.
2. To provide a firm financial basis for student activities.
3. To get as many students involved in school activities as possible.
4. To improve and increase student activities.

The Student Council sent student representatives to the School Board, Faculty, Curriculum Council and Department Head meetings. At these meetings our student representatives voiced students' opinions which greatly helped administrators and faculty in planning programs for our student body.

Student Council tried to hear from everyone with our Campus Outreach Program and we involved more people than ever in the intramural sports, lunch-time activities, and after-school activities. We hope that between these activities and the athletic program, everyone got involved this year.

We did what we could with campus beautification, working around the construction. We initiated a new Senior Quad and left plans for further campus beautification.

Finally, our "Treasure Hunt," benefitting the Coachella Valley Rescue Mission, let the community know that we are involved young people interested in helping others.

AFS AND ICX CULTURAL PROGRAMS

The International Cultural Exchange Program and the American Field Service encourages students to become involved in interesting and exciting experiences. AFS provides exchange programs, both domestic and foreign, whereby American students live and study abroad or go to another state for a semester or a year.

Indio High School hosted several students through these programs. The AFS students were a domestic, Yvonne Lengstroff, from Montana who stayed for one semester, and a foreign student, Angus West from England of Scottish ancestry or nationality who will be staying until the summer months. Another student, Greg Hutt, from New Zealand, stayed here for over a year. The ICX Program is sponsoring a student from Japan, Masako Maede, a lovely girl who joined us at semester break.

These students have been enjoying the experiences of cultures and areas different than their own. They have also added a new dimension to the lives of Indio High School students.

REGIONAL OCCUPA-TIONAL PROGRAM

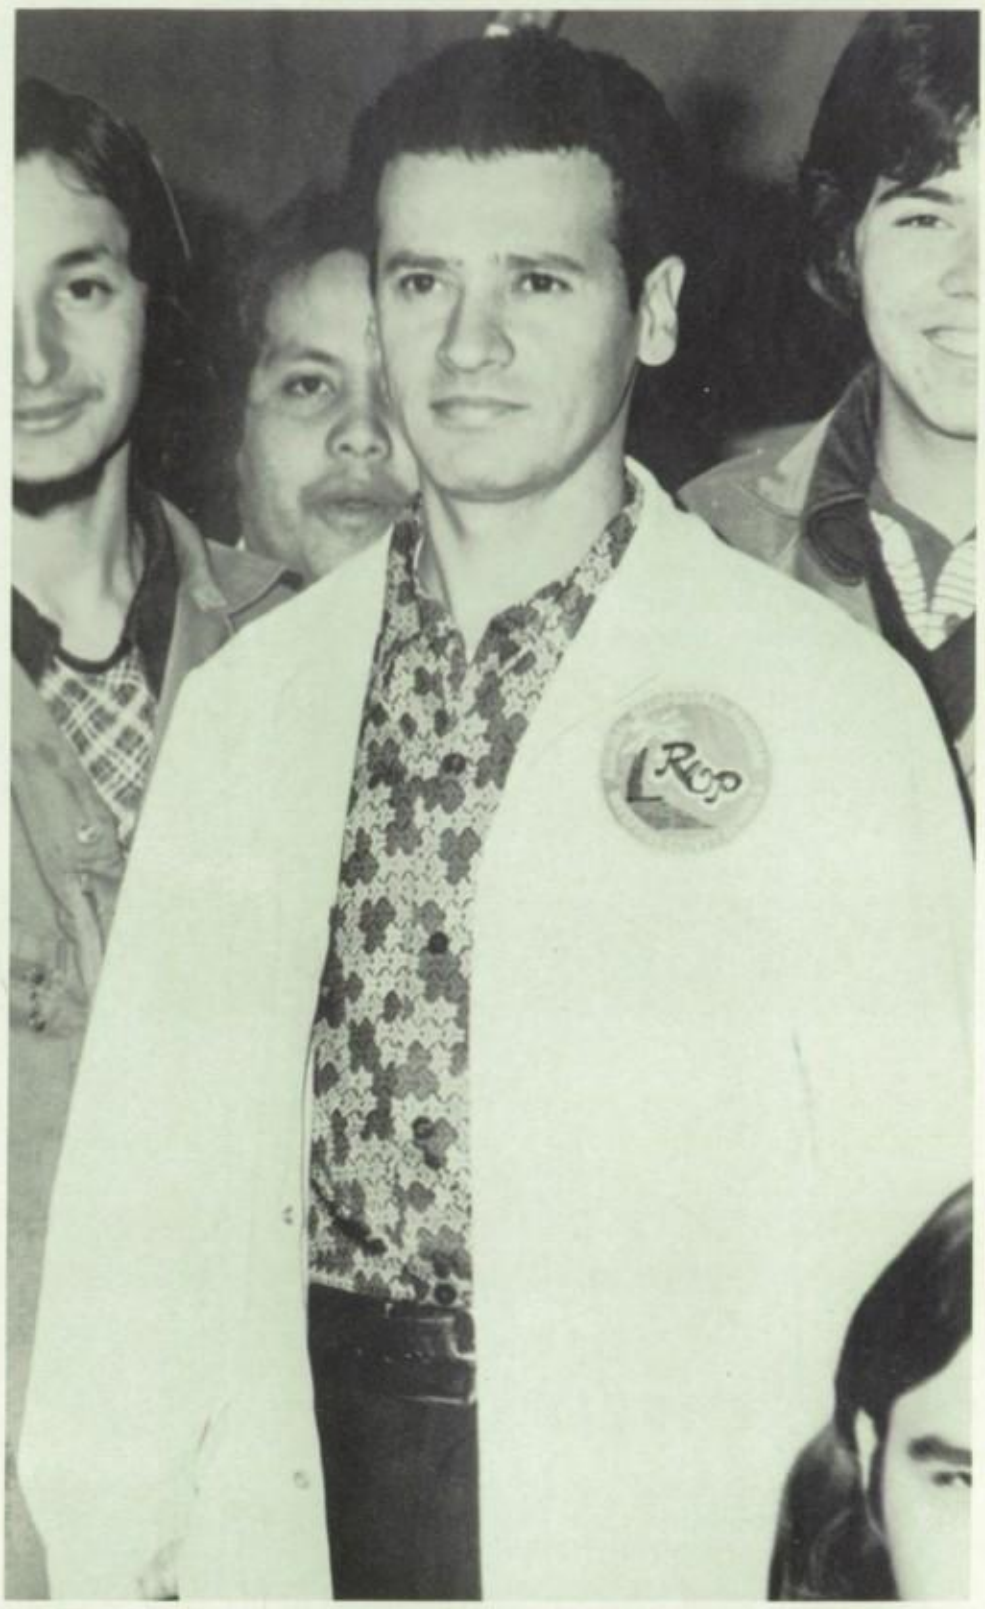

The Regional Occupational Program at Indio High School has been very successful since it began. This year the program consisted of eleven different classes with eight instructors participating in the program. Four different classes were offered by Wayne Richards in the area of Agriculture-Horticulture. They were Introduction to Vocational Agriculture, Landscape Design and Maintenance, Horticulture Mechanics, and Horticulture Practices. The students will be able to use the skills learned in the job market on the desert. George Jasso, the instructor in Auto Body, prepares students for entry level skills in welding, metal straightening, finishing and spray booth painting, safe use of auto body tools, and getting a job in this field. Cosmetology is taught by Robert Pursel who prepares students in this area for the State Board Cosmetology License Examination. John Hickman, the instructor in the Medical field, trains students to be nurses aides and geriatric aides. The Offset Printing and Duplication, taught by Alan Layne, prepares his students for jobs involving printing and duplication processes. They are involved in actual production of materials. Pete Petitto, instructor in the Restaurant classes, prepares students in restaurant safety and operation of kitchen equipment. The students get their training at the Backroom Restaurant. Retail Merchandising is taught by Yolanda Coba, and these students get training in retail security, safety, merchandising, cashier-checker, sales clerk, stock clerk and job application skills. Some students in the ROP Program receive training in Word Processing taught by Beverly Dutcher. These students are trained in dictation and the use of transcription equipment to work in the modern office.

VARSITY FOOTBALL

The IHS football team under new head football mentor Ed Peasley and his assistants Greg Dunn, Chuck Drinkworth, Ed Roze and Dave Riveness had a season to be remembered.

With the players as well as the coaches learning a new system, Indio got off to a slow start, losing its first four games. After the preseason the team changed completely and won four in a row, beating Brawley, Palo Verde, El Centro and Calexico. All this leading up to the showdown with cross town rival Coachella. Both teams, undefeated in league play, met at the CV stadium with Indio coming out on the short end. Indio finished second in league play and earned the right to go to the CIF playoffs where they met San Dimas.

Indio finished with a 4-6 season won-loss record and 4-1 record in league play. Indio has some very talented underclassmen and the future looks bright for the coming season.

JV FOOTBALL

The 1976-77 Rajah Junior Varsity Football Team ended the season with another DVL League championship. This was the second championship in the last two years under the coaching of Coach Harlan Walker and Steve Raupp. The year was a very tough one as the Junior Rajahs worked hard and dedicated themselves to a very successful season. The next year should prove just as successful as Coach Walker and his staff have some very good talent coming up from the Freshman level. The last game of the season was with arch-rival Coachella and the Junior Rajahs walked away with a 21-0 victory.

FRESHMAN FOOTBALL

Despite a modest 3-5-1 record, this year's freshman team was one of the most exciting in recent years. Leading the "Little Rajah" offense was running back David Woods who electrified fans with 9 TD's, most of which were runs of more than 50 yards. Defensive standouts Nick Alatorre and Mike Valenzuela led a defensive unit that was characterized by aggressive play and hard-hitting tackles.

The highlight of the season was a come from behind 36-16 victory over rival Coachella Valley, serving notice to the DVL of things to come with IHS football.

The girls tennis team, under the coaching of Lois Sorenson, finished the season by tying for third in DVL. Thirty girls participated on the teams and showed the enthusiasm and interest necessary to have a good season. Rosa Ornelas, Varsity MVP, went to CIF as the second place singles player in DVL. Sue Laughlin, having lost only two matches all season, was also commended by the coach and received the Most Inspirational Award. The Most Improved Varsity Player was freshman, Lynn Taylor.

The JV Team remained undefeated with a record of 10-0. Kathy Batista was voted Most Valuable Player and Jahleah LaBar received the Most Improved Player Award.

WATER POLO

The Indio High School Water Polo team did exceptionally well considering the youth of the team. The starting team consisted of five sophomores and two juniors. The team came in second in the Riverside Poly Tournament only after losing to Riverside Poly. Later in the season they won the Ivy League Championship by beating Poly. The overall record for the Aqua Rajahs this year was 16-4. They expect to have even a better season with four returning All League Players, Don Mahaffey, Lindsey Anderson, Mike Duran, and Guy Baker and all CIF player, Guy Baker. The team made it to the second round of CIF by beating Claremont 9-5 but then losing to Villa Park 8-4. The team received an invitation to the International Junior Competition next August in New Zealand. The only obstacle to overcome next year is "team desire" which hampered them this year.

VOLLEYBALL

History was made in 76-77. This year's team was the first volleyball team to go to CIF. With a 7-2 league record and an 8-4 overall record the girls varsity volleyball team took second place in DVL and entered the first round of CIF play. Meeting Alta Loma on their home court Indio fought a tough battle but lost. The girls played well and with much pride. Next year most of the girls will be returning and will also have some promising junior varsity players moving up.

The Junior Varsity placed fourth in league play. Basically, it was a young inexperienced team that came a long way. Each game was played better than the last, and, therefore, was considered a successful season.

It was an exciting season for both teams, especially for varsity who remained undefeated until their last two games. The teams are looking for league championships next year.

This year the Indio squad placed four players on the All-League team, Gary Willis, Marc Hurlburt, Herbert Evans, and Rick Garcia. The graduating seniors have to be proud of the accomplishments over the entire season, and the underclassmen on this year's varsity show the promise of another successful basketball team in the coming season.

Indio qualified three wrestlers to the CIF finals in Fountain Valley. These were Bruce Otterson, 123; Mike Morgan, 130; and Ed Rivas, 141. This is the most ever to go to CIF from Indio. Senior Bruce Otterson went on to place sixth in the CIF Finals which is the highest CIF finish in Indio High history. Junior, Ed Rivas broke the record for most pins in a season pinning 20. The Rajah Wrestlers also won DVL on the JV and Freshman Level.

GYMNASTICS

The IHS Gymnastics season began on a very hopeful note because of the increased number of girls that showed interest in being part of the team.

Team Captain Debbie Finnell, along with co-captain Elaine Morgan and Tracy Hadley put in a lot of time training and preparing all the newer girls for competition.

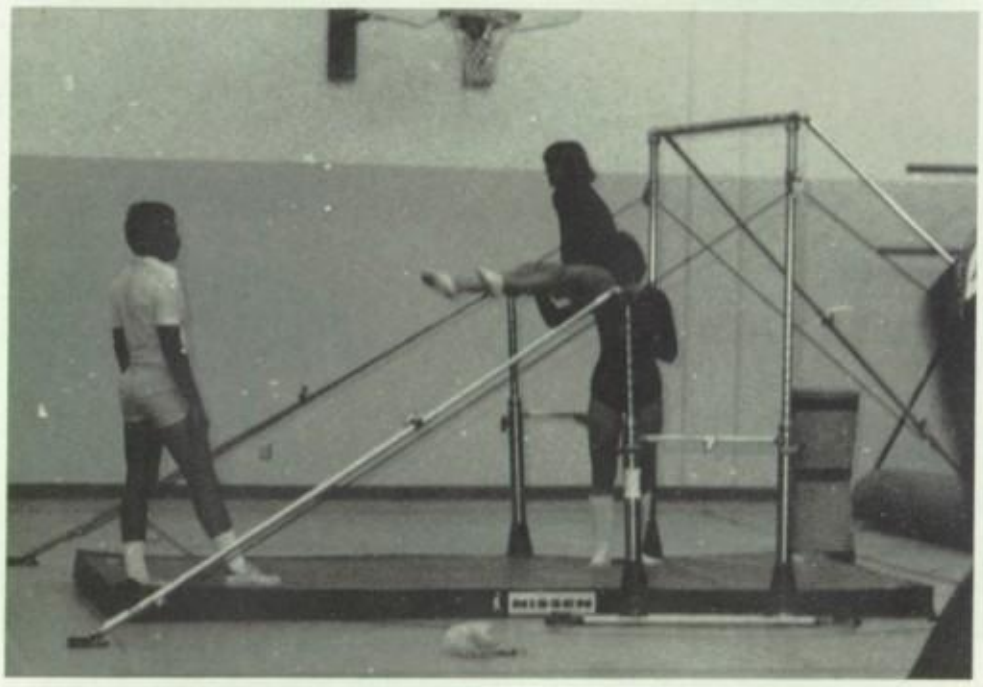

Coach Paul Camer scheduled more pre-league meets than the Indio team has had in the past. This enabled the girls to get accustomed to the judges' scoring on an individual and team basis.

The team started out by winning five straight matches. Coach Chick Tiger expected his team to win CIF.

GIRLS' BASKETBALL

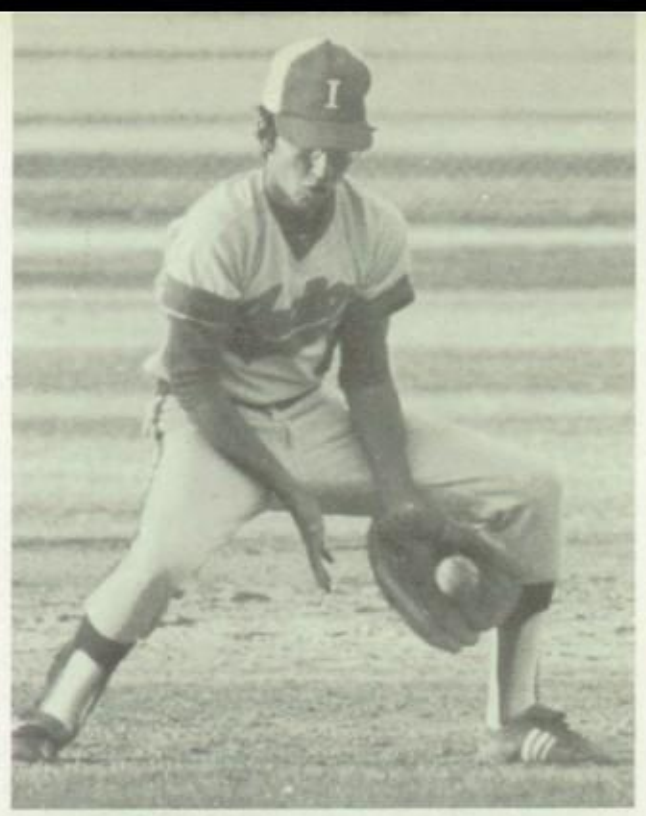

The Girls' Basketball Teams faced a tough season this year. Most teams were very tall which proved to be a difficult task for Indio to handle since the average height was only 5'5" on our teams. This was a building season for the basketball team as half the team was new, young and inexperienced in game play. In two or three years, the team should be strong, experienced, and have good height.

The highlight of the season was the accomplishments at the Imperial Varsity Tournament. After a loss to Palo Verde and a win over Calipatria, the Varsity defeated CV for the Consolation Championship.

The JV team had a successful season, proving to be among the stronger teams in the league. The JV team had good height and a lot of hustle. Under the fine coaching of Liz Chapman, the basketball program for girls should be very successful in the coming years.

JV TEAM: Top Row, Left to Right: Terri Perez, Leslie Feast, Teresa Parish, Dee Dee Cox, Cheryl Campbell, Cathy Williams, Marian Zahler, Coach Saunders. Bottom Row: Chrystal Frahm, Doreen Kennedy, Joan Johnson, Fawn Miller, Bret Wilson, JoAnn Vilarino, and Oliva Parish.

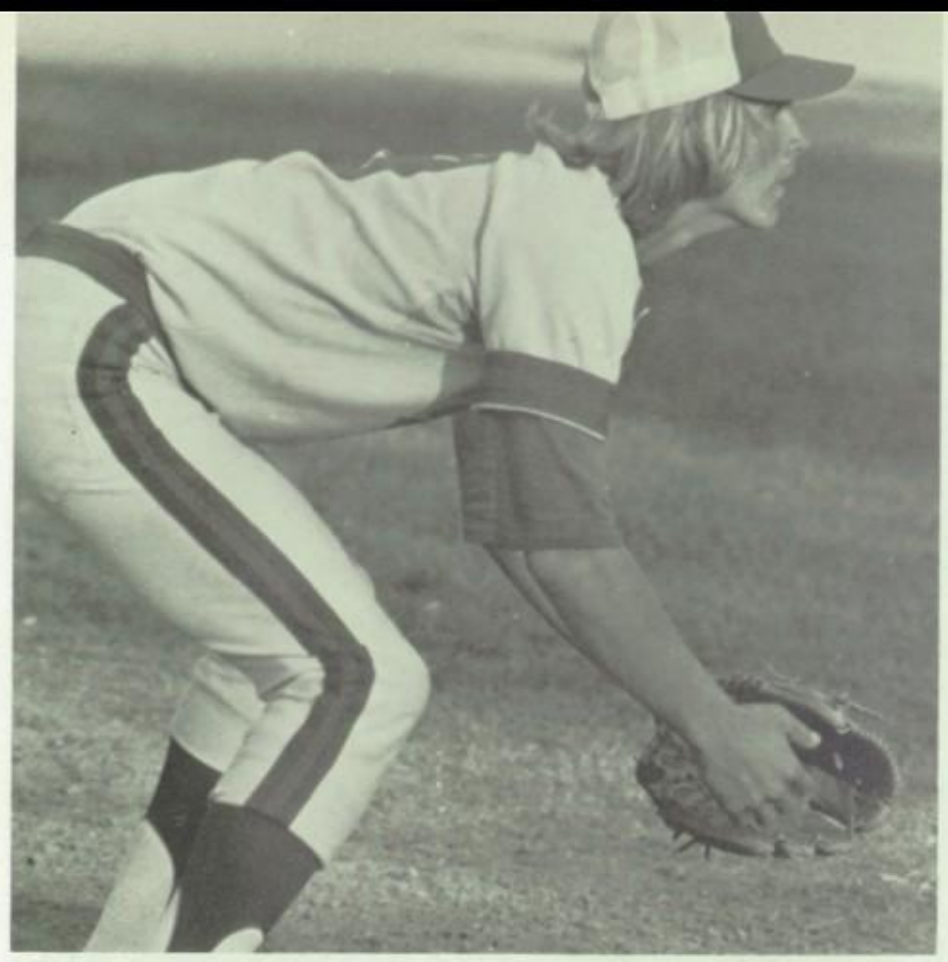

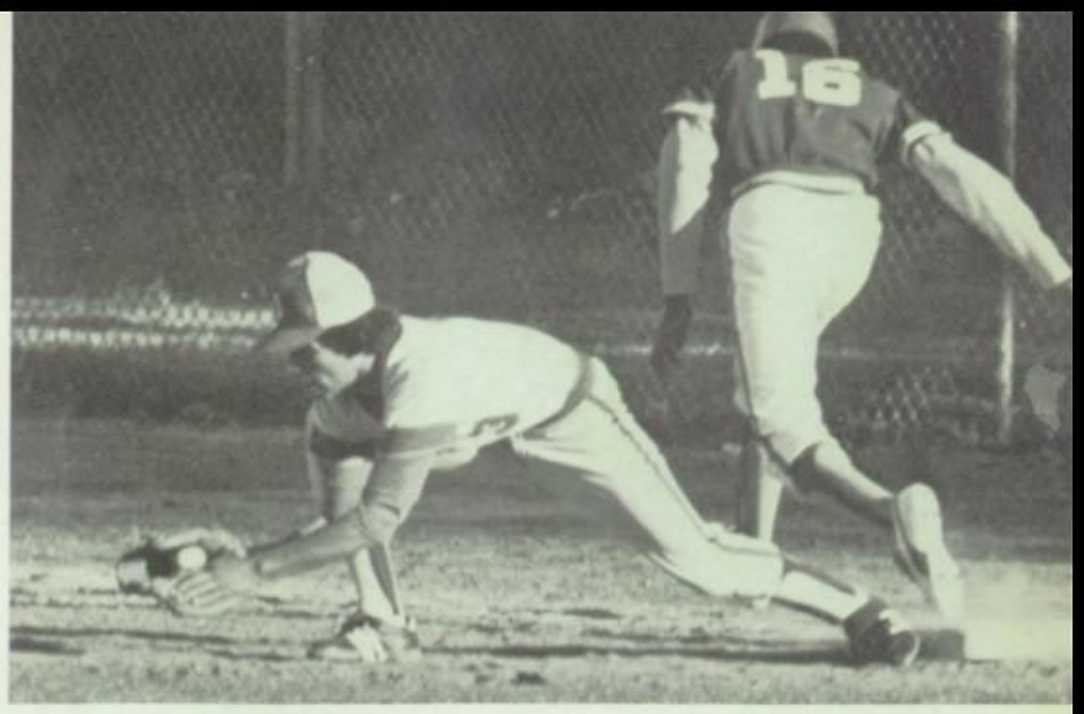

VARSITY BASEBALL

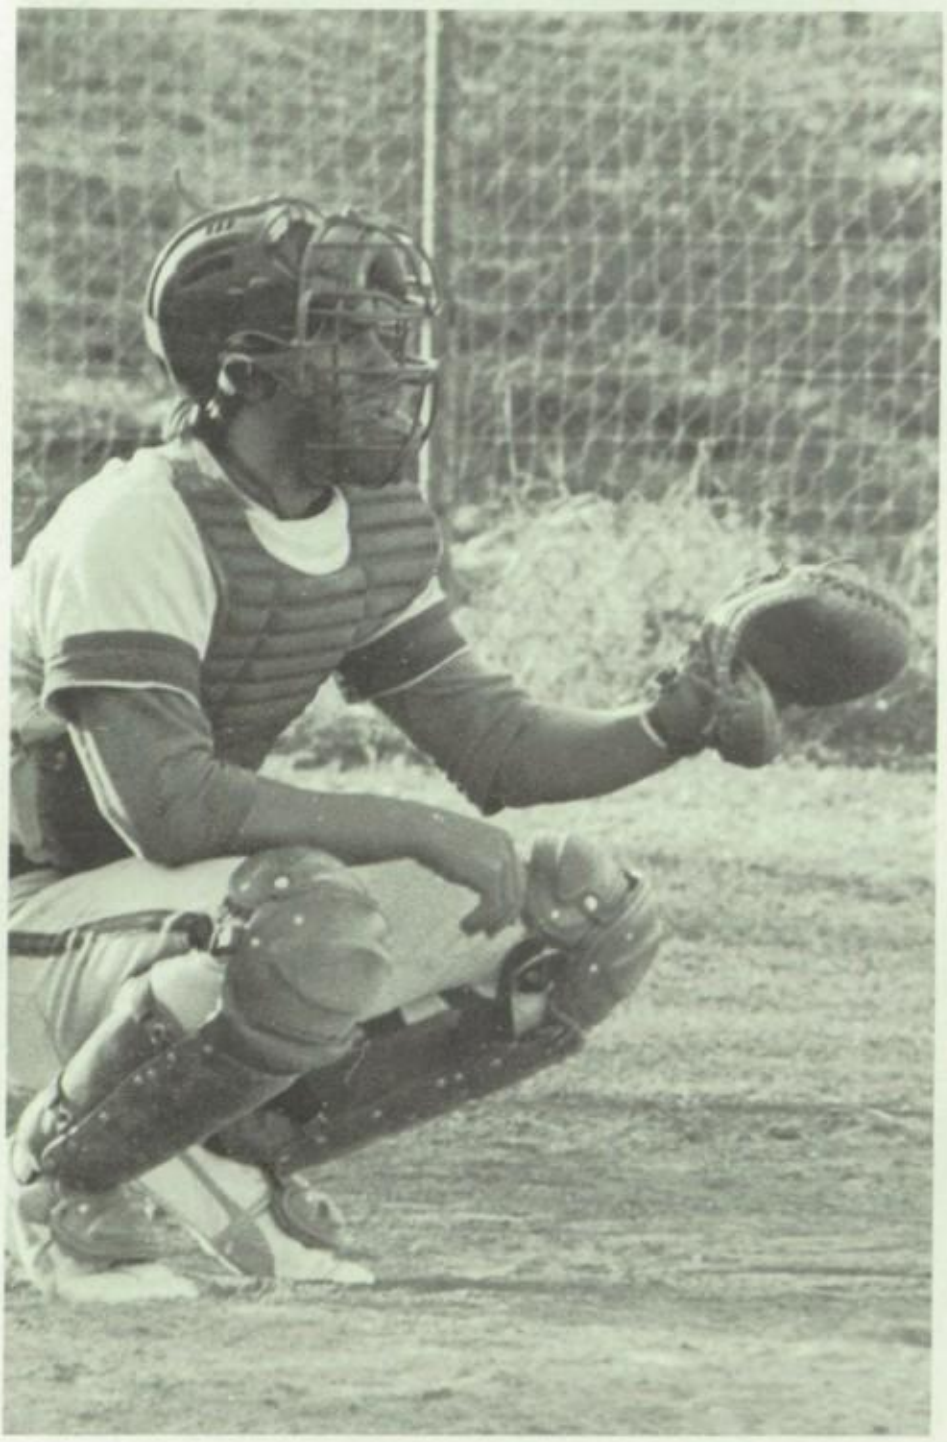

Under the leadership of new head baseball coach, Gil Marrujo, and the new assistant coach Rick Holman, the 1977 Indio High School Varsity Baseball team had an outstanding season. With six returning lettermen, Richard Bruner, Doug Holliday, Jim Wolff, Vin Rover, Randy Mesa, Bobby Thomas, and Gary Willis, the team showed remarkable talent. Behind the fine pitching of Bruner and Mesa, the team expected to take the DVL Crown with ease. The 3-3 early season record was improved with the late arrival basketball players, Robert Hernandez, Gary Willis, and Mike Morris. The ball club was mostly a senior club this year, but the coaches are expecting to have a good season again next year with the talented players moving up from JV and Frosh-Soph teams.

GIRLS' SOFTBALL

The Rajah Softball Team has always been fortunate in having great athletes and, naturally, in winning. The 1977 Girls' Softball Team was no exception. This team began with the advantage of two 1976 All DVL selections, Mary Henderson and Cyndi Overhulse. Six veteran players Peggy Senior, Reina Avila, Jo Salter, and Diana Arteaga were joined by six JV's from last year, Denise Castilleja, Jacque Dobbins, Torri King, Cheryl Campbell, Kelly Ruiz, and Jenny Savage.

Both the Varsity and the Junior Varsity had very successful seasons with outstanding performances by the teams. Under the fine coaching of Mike Heron, the girls closed out the season with great records. The Junior Varsity shows many prospects available for the Varsity team in 1978. The JV has had great training under the coaching of Doug Adams.

Outstanding Frosh-Soph swimmers were Cal Lowell, Ron Rosenberger, Mike Dunson, Larry Hammers, Mark Wilson, Greg Arias, and Bob Finnell. Leading the Varsity were Jeff Curci, Dennis Pelissier, Steve Hay, John Peters and Nick Bozick.

Class of '78

Under the leadership of Andra Howard, Jody Martin, Colleen Gray, Sue Laughlin and Teresa Blindower, the Junior Class began their quest for class unity and a great Junior-Senior Prom by a Summer Sno-Cone Sale. With the arrival of football season came Stand Clean Up with some new innovations like breakfast at Bob's Big Boy afterwards and trips to Idylwild. The Carnation Sale was a big success as was the Candy Sale with nearly fifty juniors selling! In the spring other activities and events went a long way in helping the Class of '78 get to know each other and complete a successful prom for the Seniors of 1977.

Don't be afraid to
Like the sunset, the ocean, the rain.
Don't be afraid to express
Your feelings of hurt and of pain.
Don't be afraid to be wrong
To admit it and make your amends.
Don't be afraid to love
Yourself, your family, your friends.
Don't be afraid to be You
With silliness, happiness, truth.
Don't be afraid to know
Your capability, true value, and worth.

Dear Love opens like a flower
Under the sun.

Under the deep blue sky.
There's always another
Which hasn't a mother
Not even a friend.

What can one do?
But turn to seclusion
Which turns to confusion
With tears in your eyes
With tears in your eyes.

Somehow there'll always be
Someone to see
Under the deep blue sky, under the deep blue sky
Dear Love opens like a flower
Under the sun.

Leeann,
I really hope that next year we become even closer friends!
Im glaid that wee had Typing together, I don't think I would have made it!
I hope I see you durring the summer!
Good luck.
Love
Cathy.

next year were SENIORS

Edward Rodriguez...

Why do they laugh and frown
Just because I want to be me
And not a replica of a clown,
Just somebody who wants to be
Free from the ties of other things
To stand up for my rights
And be another one that sings
With the passing of each night
Just because I'm happy
That I don't have to live under
The strict rule of a country
Where all peace is asunder
Yet I have the right to be free
And I'm going to take it and be me.

Leann,

It was a great time being around you, it's fun talking to you whenever you did talk. Got to party sometime too.

See Ya

The Happiness In Being Me

I can remember how I could never get a smile on my face,
Because a frown was always there in place.
And I never laughed when I was teased;
Instead I cried in misery.

Oh, how I envied the girls who were asked out on dates!
And all I could do was stay home, consumed in my own fate.
Those were the days when I was alone,
Sitting in that cold dark world of my own.

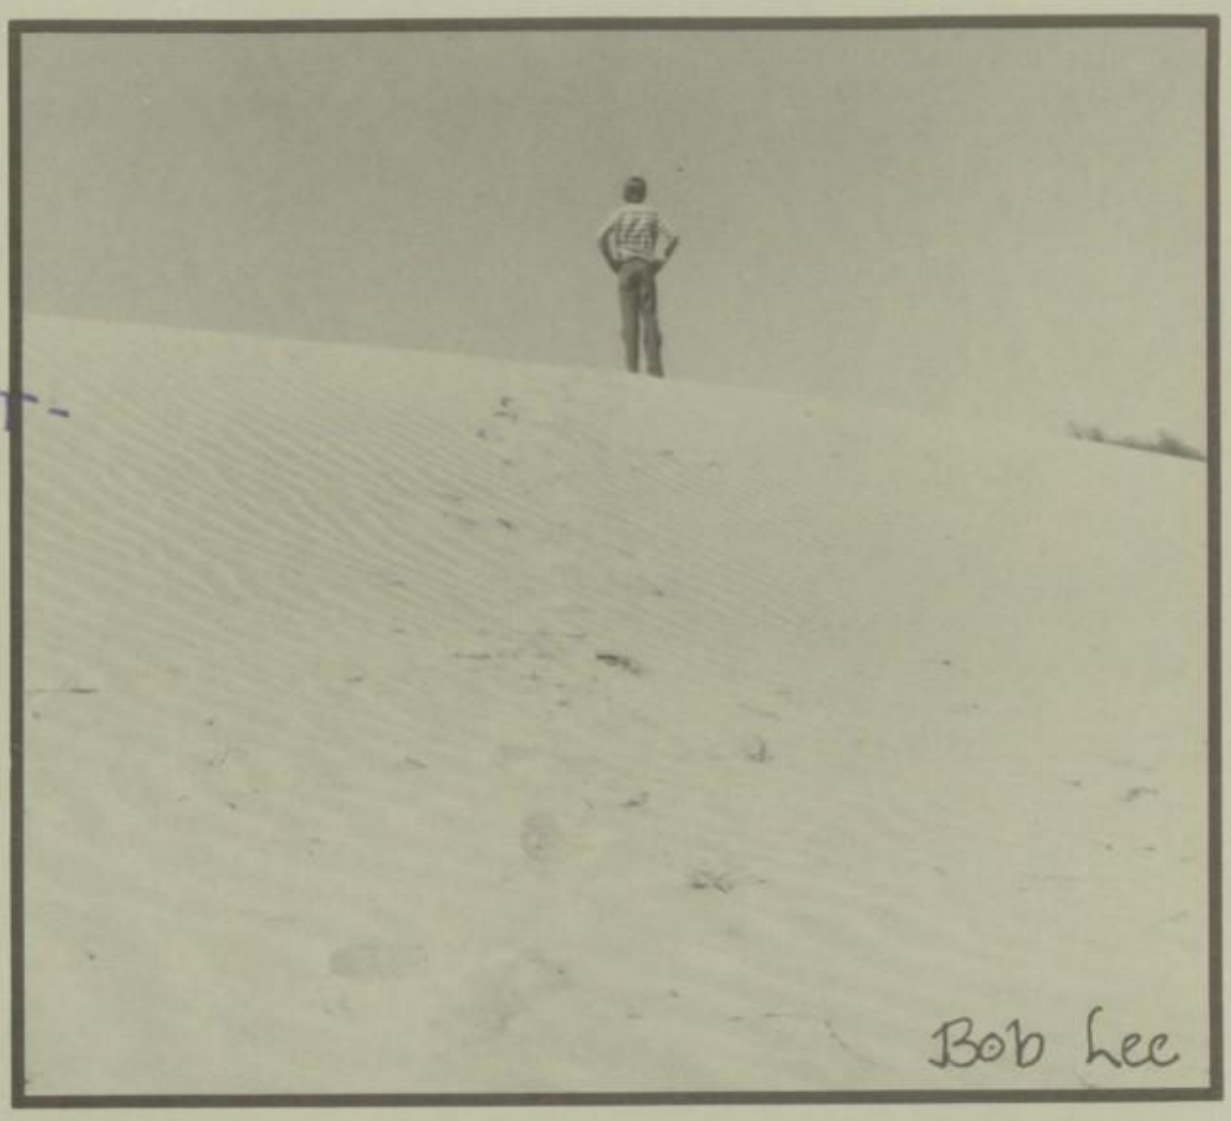

Now, though I can laugh, when I look back,
At my stupidity of the simple knowledge I lacked,
That of opening the door of reality.
To discover behind the secret of being me.

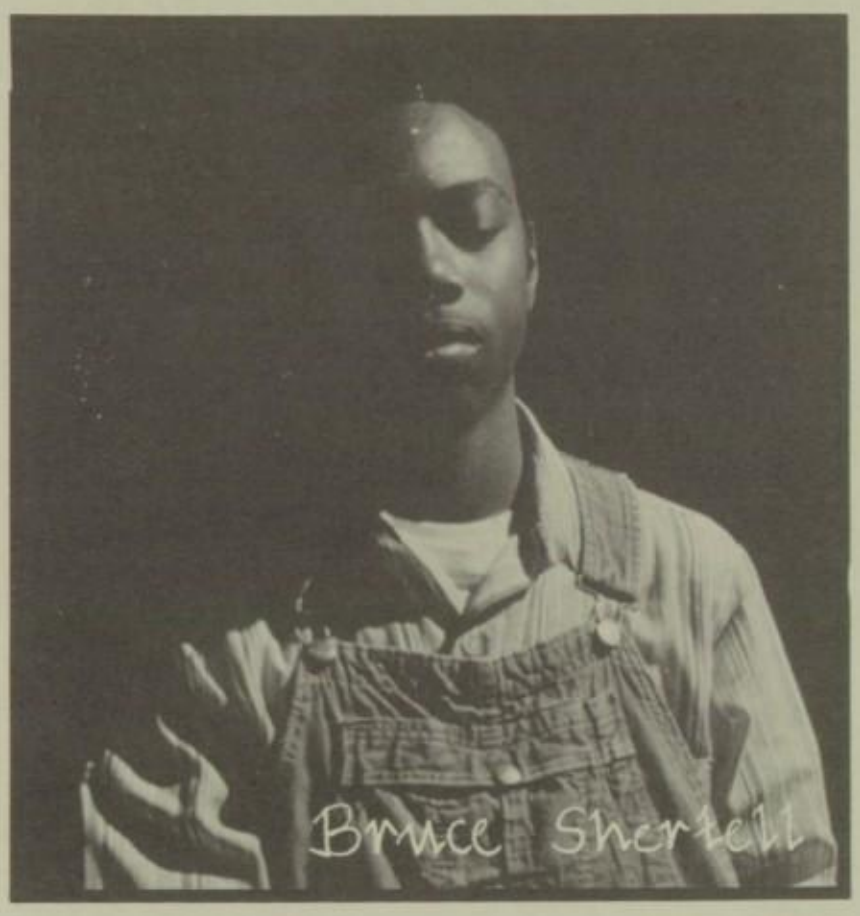

And now I am not alone
For I have many friends I can call my own.
Just because I found that a smile brings happiness,
And is a beautiful refuge frome the depts of darkness.

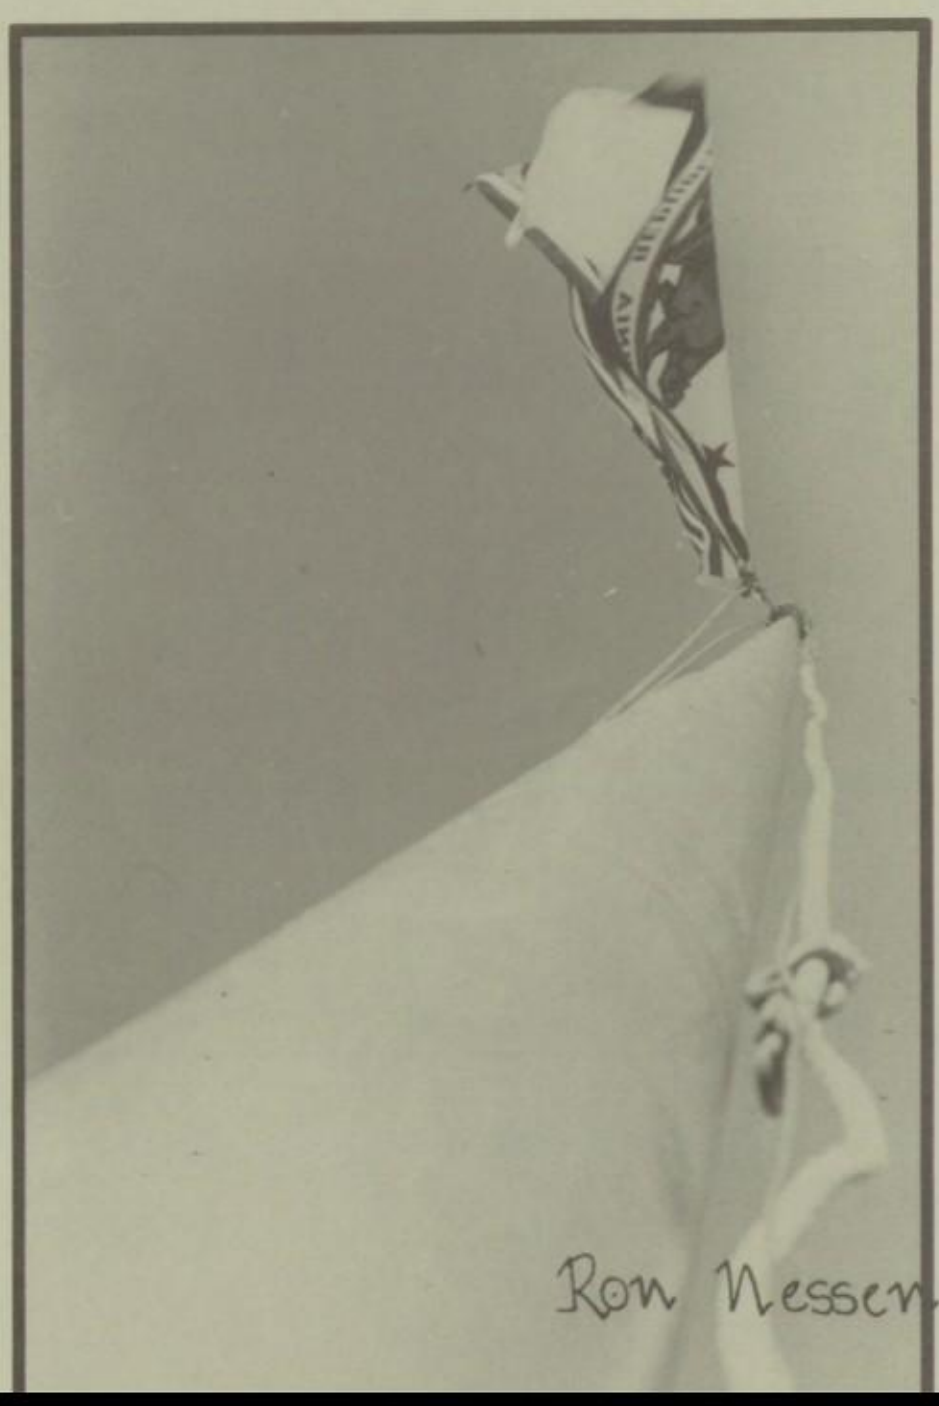

Janet Johston

Memory Lane

It's a beautiful place,
Memory lane.
Where my emotions and feelings
All seem to remain.

I stopped by there today
To say a "hello".
My sentimentality seemed
Rapid to grow.

I strolled by the first grade
And that gigantic slide.
I stopped off at the fairgrounds
Where I stopped mystified.

I dropped by my high school
Where I've spent my last years.
Suddenly I noticed
My eyes filled with tears.

The dances, the parties,
The Prom, and Grad Night.
I saw all of this
And was filled with delight.

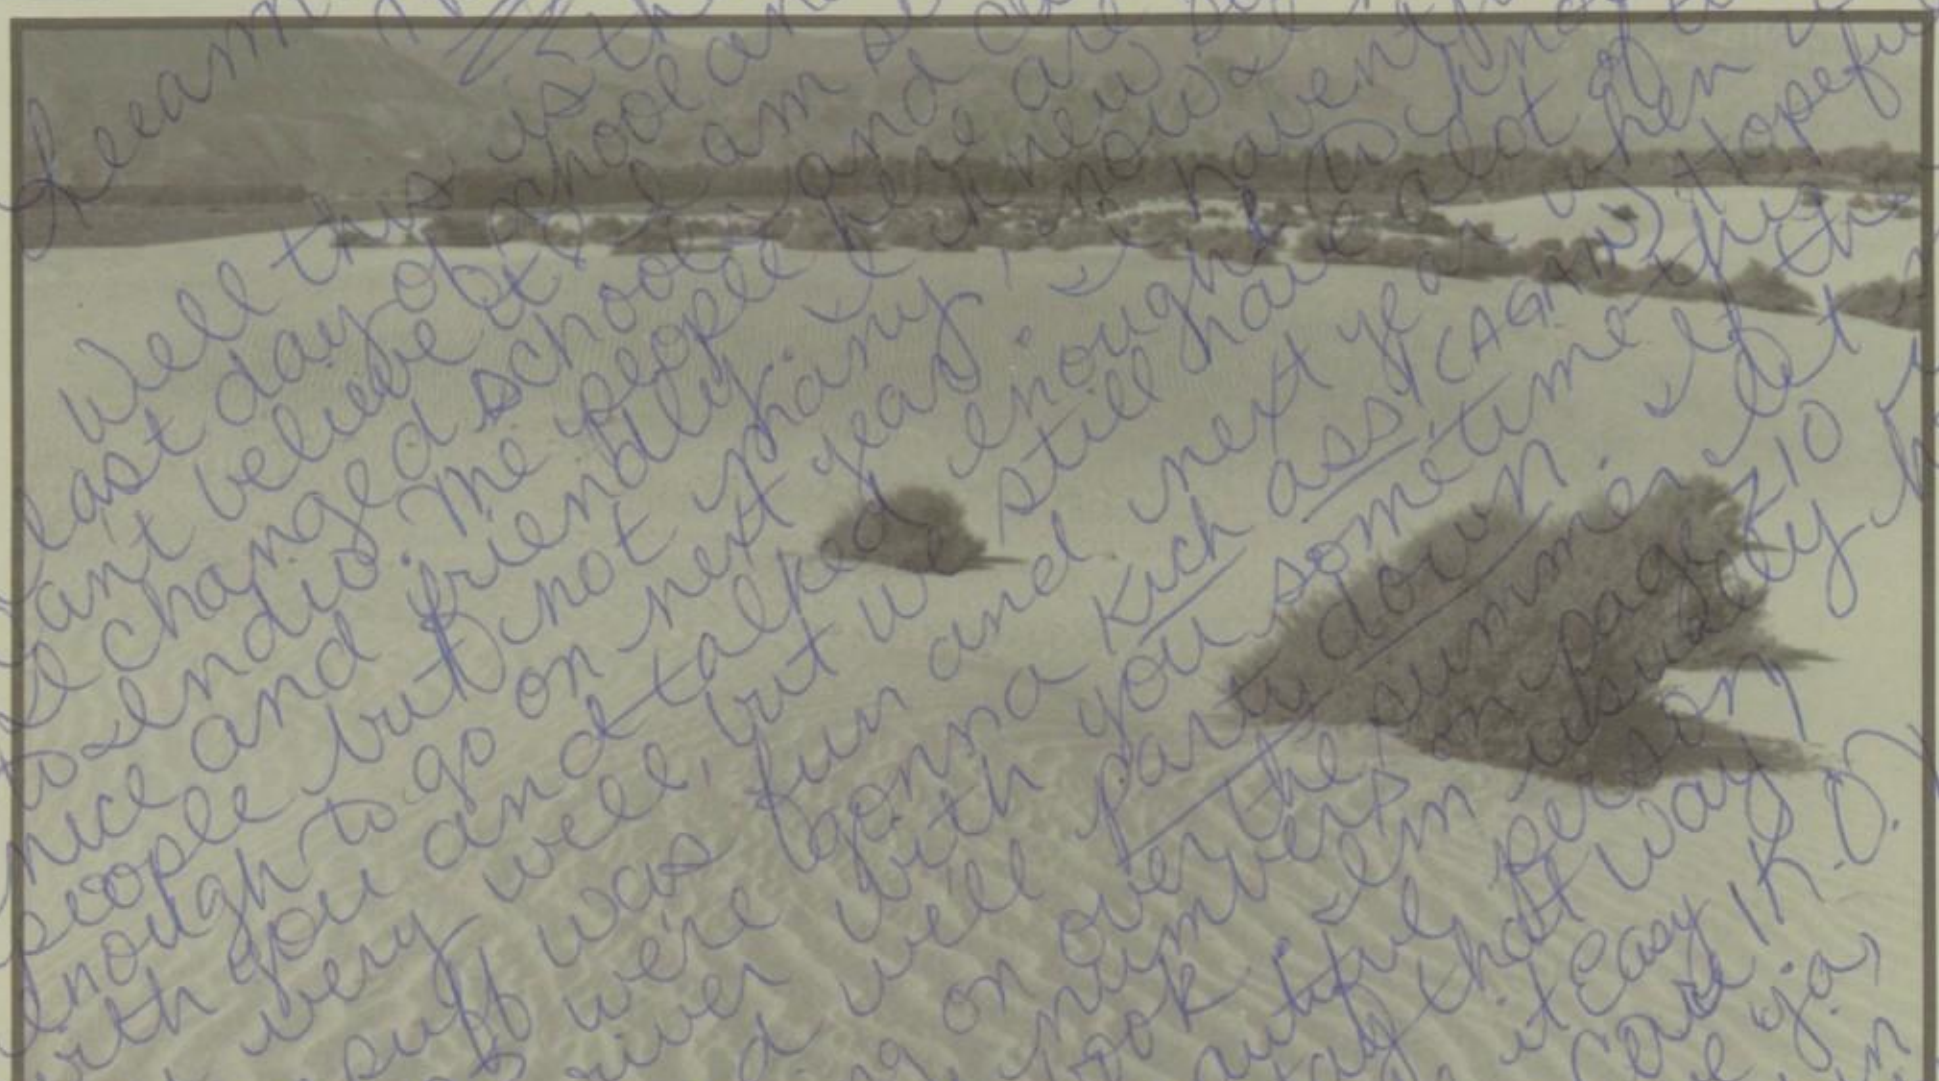

As I drive into the future
This Lane will continue to grow.
I'll stop by again
In a memory or so.

REMEMBER ALL THE CRAZY TIMES IN MRS SOMERS' ROOM!

Memories of days gone by.
Do we ever stop to wonder why?
The Sun must rise...
And the Moon will sit...
All those memories we once forget
Let the memories live on and on
And the generations we will become,
And soon everyone will see what
The light of day has shone to me.

Death of a sparrow

As I walked outside
On a cold winters day
I looked at the sky
All cloudy and gray.
I looked in a tree
Right over my head.
I found a poor sparrow
But could it be dead?
I climbed up that tree
All icy and wet.
As I got to the top
I started to sweat.
I reached for that sparrow
That lay in his nest
With two tiny holes
Cut into his breast.
I climbed down the tree.
I almost slipped twice
The bird lay in one hand
In the other was ice.
As I walked through the snow
All powdery and white
The bird made a cheep
And was trying to fight
As I got home
I laid the bird down
I covered him up.
He made not a sound.
I turned him on over.
He gave his last "cheep"
Then I found that two pellets
Were cast in his beak
I started to cry
Why did a poor sparrow ~~like this~~
Have to die?

Perry ~~Brian~~ ...

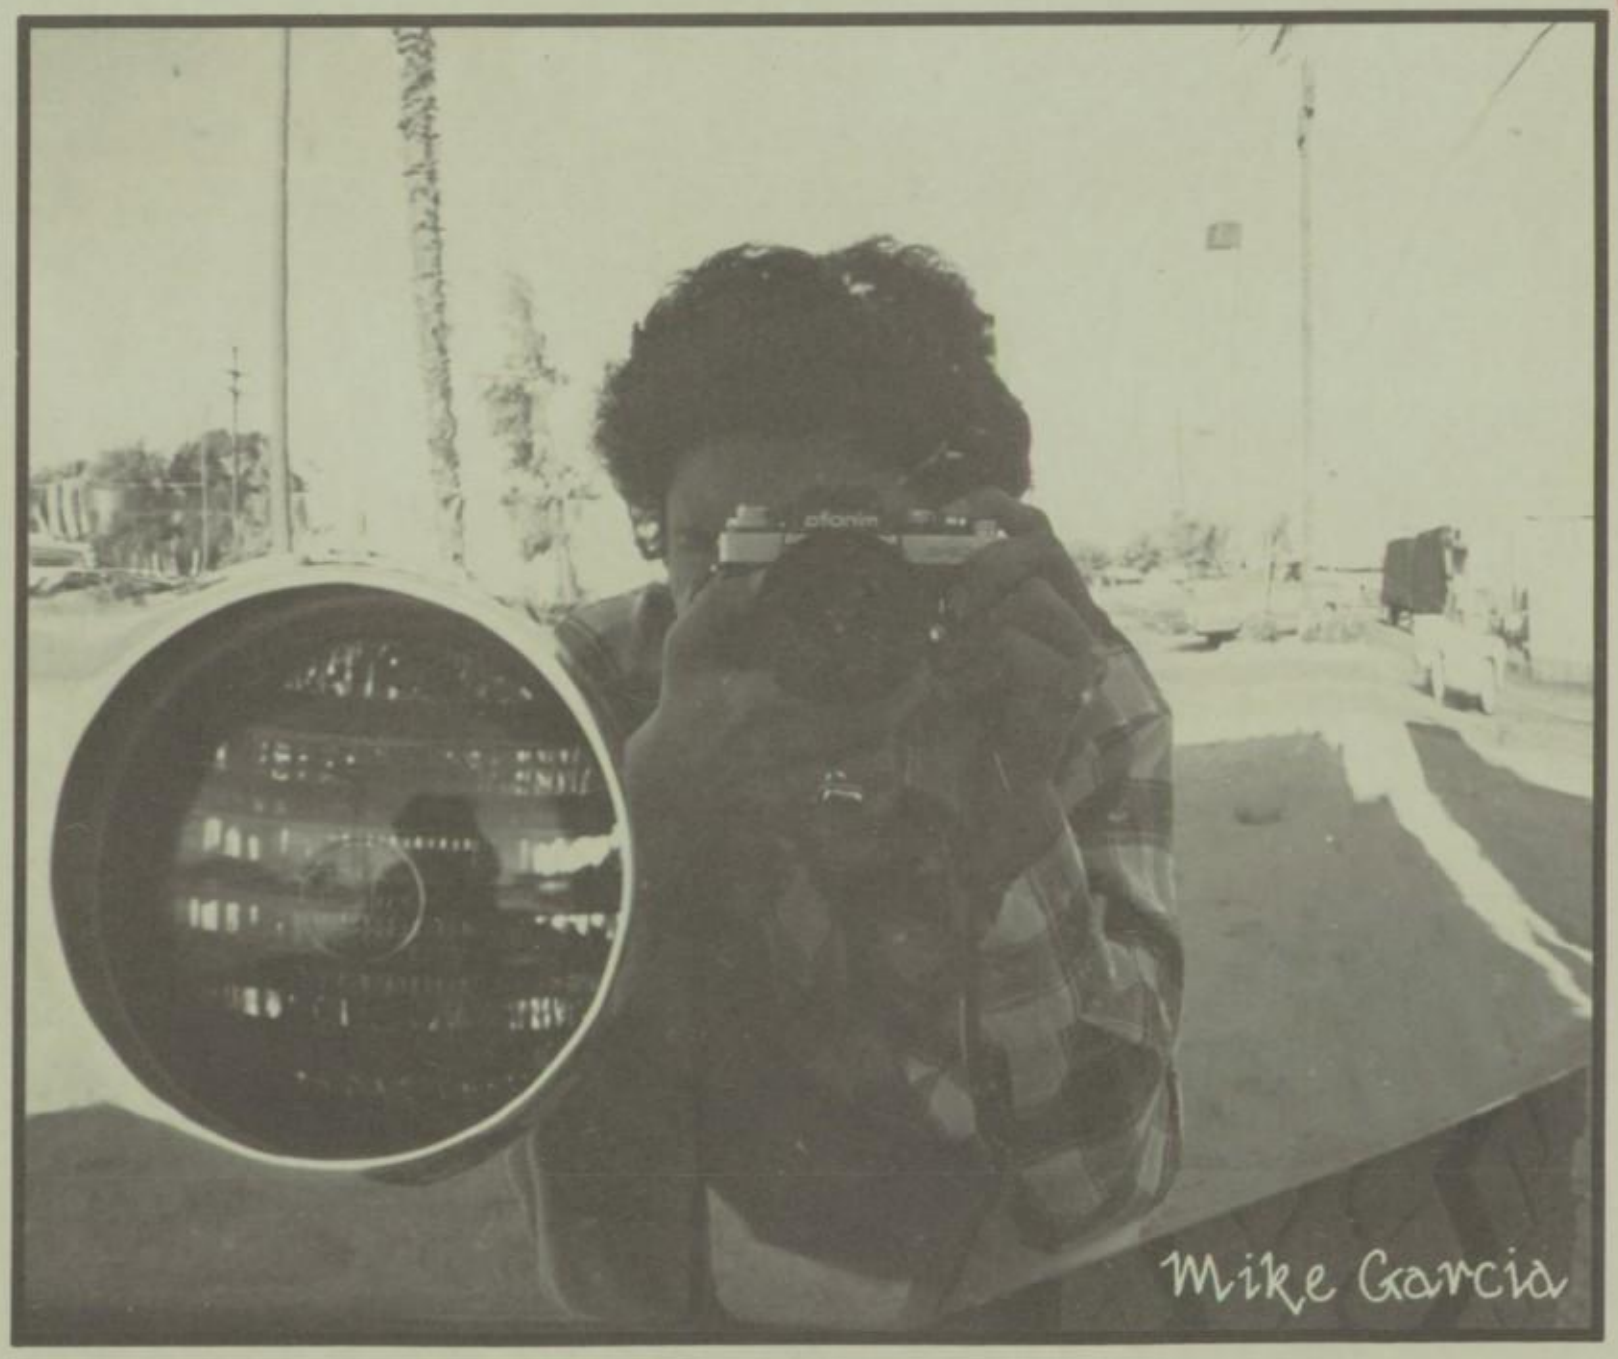

When you look at yourself
Do you like what you see?
If you like
what you see,
You're the person you should be.
Because your
image reflects in everything
you do,
And everything you do
reflects on you.

Margaret Moran...

Leeann,
This school year is over and all I have to say is Im relieved! Im glad we had a class together. Im sure I'll see you next year or this summer hopefully. Please be good + careful.

Love,
Andrea

P.S. Thanks for all the rides to lunch - I owe you!

Mike Garcia

Beginning as freshmen
On High Schools first day
Inquisitive and naive
Trying to find our own way.

Growing up, falling down
Personalities grown anew
But hardly realizing
That our minds had grown up too.

Learning not just from books
But from people as well
Finding out about life
Joyous memories to tell.

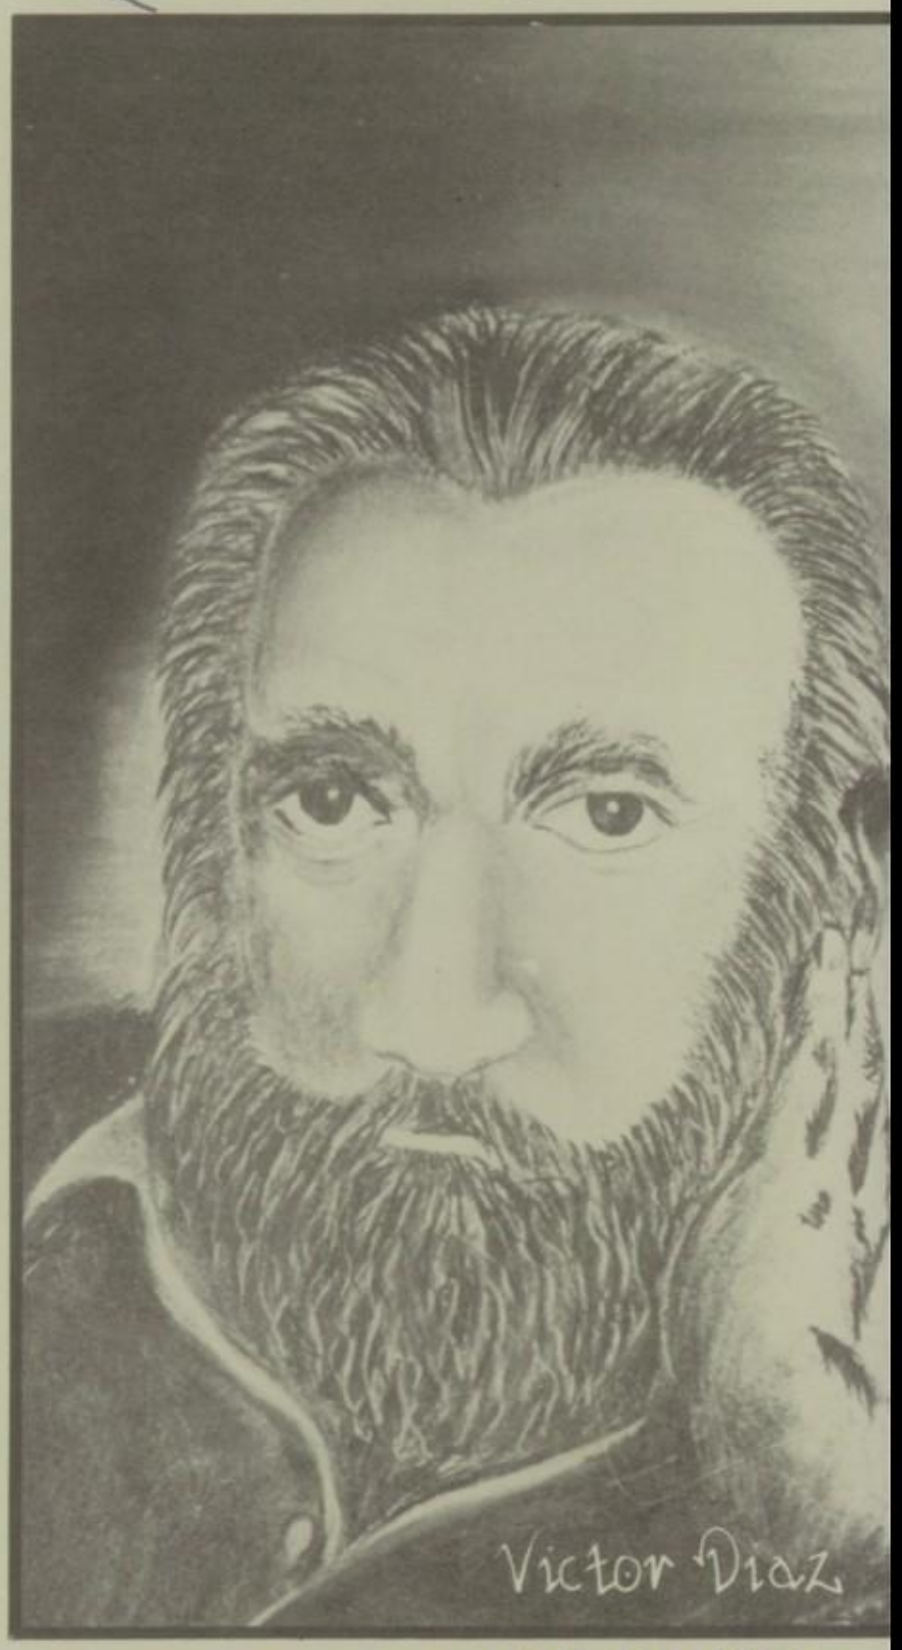

Making friends, finding love
Pulling Friday night pranks
Getting after school jobs
To put money in our banks.

And now we look back
On these few passing years
Reminiscing the friendships
The laughter, the tears.

No more proms, no more pranks
No more immature strife
Starting out once again
We are freshmen in life.

Mike David

Dear Vic,
I'm glad I met you because it has been fun. I can give credit where credit is due. Well I guess that's about it for now. I thought the year as a whole was a lot of fun. But what I had a hard time with was trying to have a lot of fun. But all

MIKE DAVID ... LEAANN - I HAVED ADMIRED YOU FROM A FAR MEANY TIMES BUT THE CLOSER I GET THE BETTER YOU LOOK, I LIKE TO KNOW A HOLE LOT MORE THAN I DO NOT, I HAVE A WRITING AND SPELLING PROBLEM BUT I THINK YOU KNOW THAT I'M TRYING TO SAY, SO KEEP IN TOUCH. Wrestling, More than a Game

Wrestling, it's a game, it's a chance, it's a sport. A sport of fear, sweat, muscle and knowledge. A sport of blood and guts. A sport of injuries and pains. For when your on the mat, it's like two gladiators in a ring, battling to please the king and to be the victor.

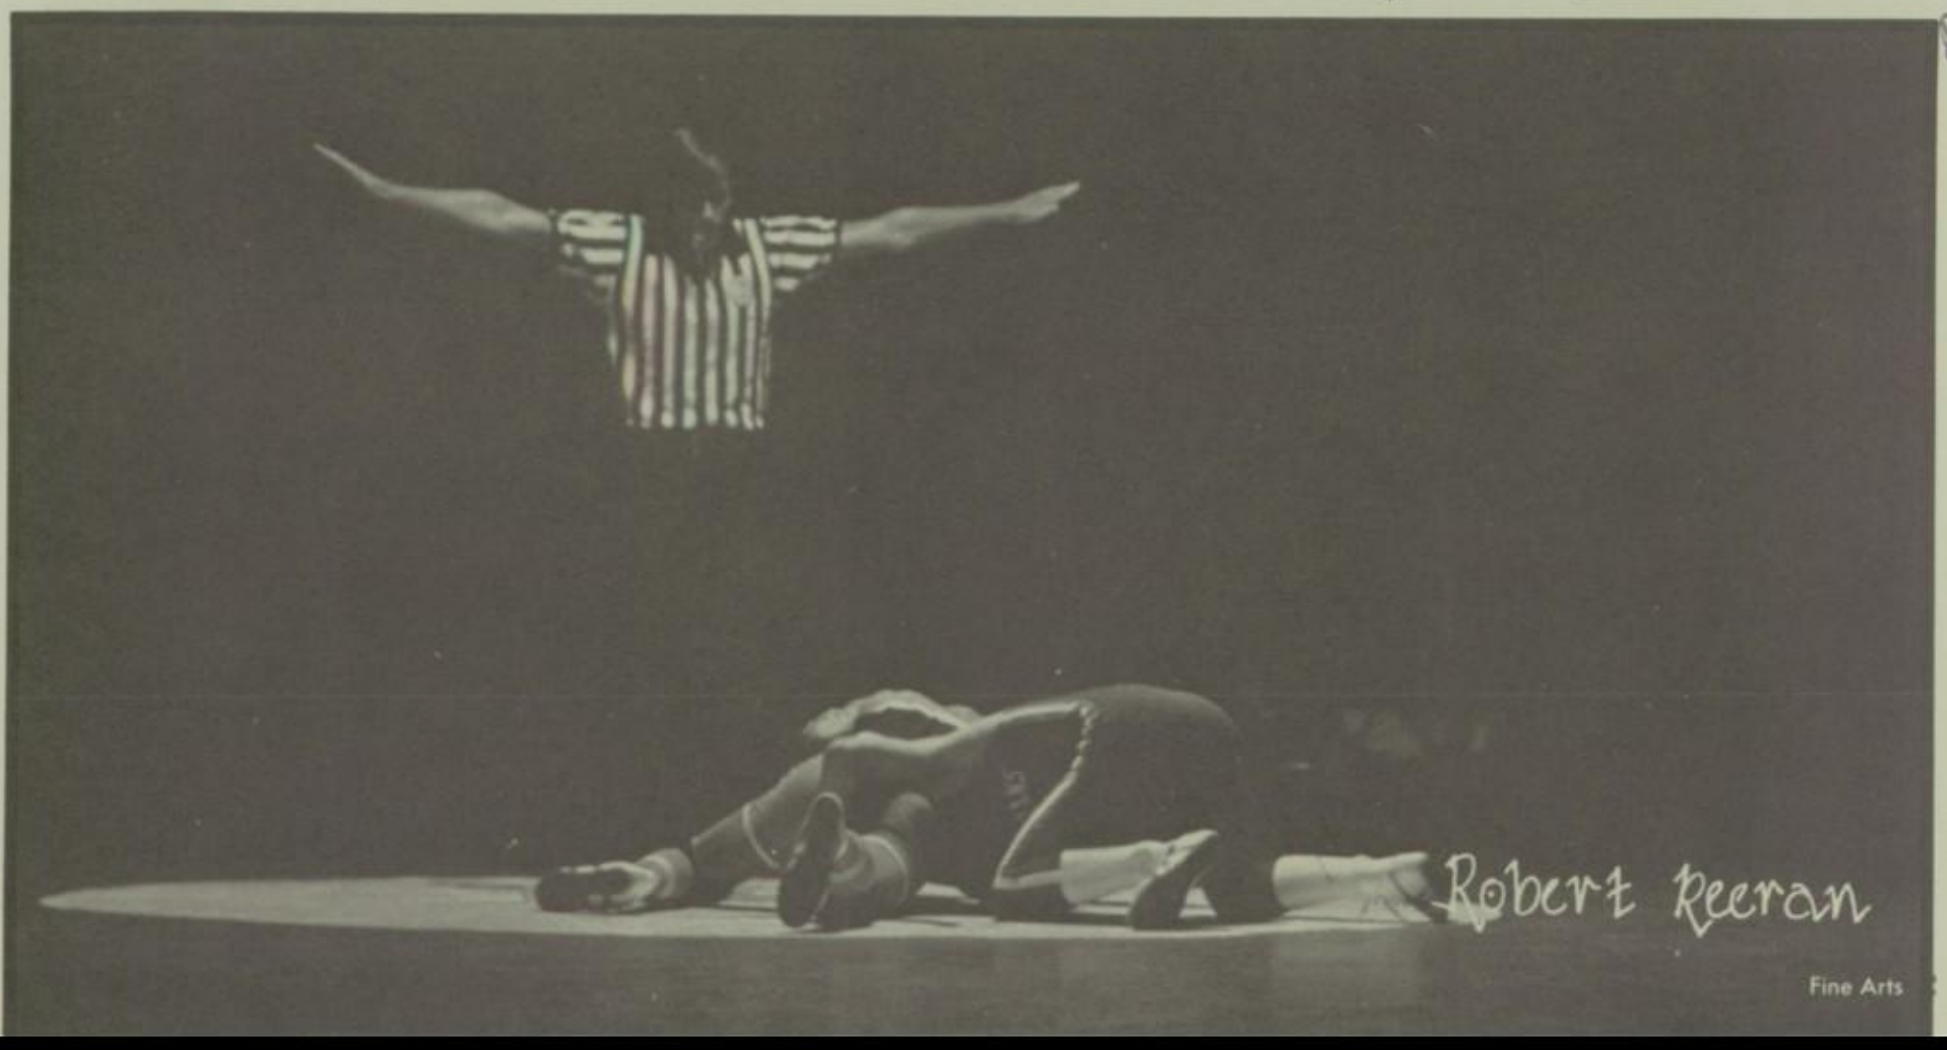

But then again wrestling could be true delight. The delight of taking total control of your opponent for holding the choice of misery or mercy in your hands.

Wrestling, it's a sport that people take serious, a sport of pride. It's a sport of victory and defeat, a sport of brutal competition.

But there's no greater feeling than to have your hand raised and claimed the victor. A sport of dicting and weight. It's a sport of dedication and of popularity. A sport that grows in some peoples blood. Yes, wrestling, a sport that some people love.

I Sat Alone

I Sat Alone.
I walked thru the park.
Just feeding birds
Until the night folded into dark.
I sat alone.

I went home.
I set the table for two.
I set a mood.
The mood was blue.
I sat alone.

I met an old man.
We talked of lonliness,
I made him a friend.
We created a mood; happiness.
We sat alone.

Yes we were alone; but alone as two.
We had beautiful times.
It was hard to belive it was true.
We were alone.

I sat alone.
I walked thru the park.
Trying hard to belive he was really gone;
Soon the night folded into dark,
And I wondered,
"Is he alone?"

Yesturday my love went away

I needed him to be by my side
It ended up he

Yolanda Flores...

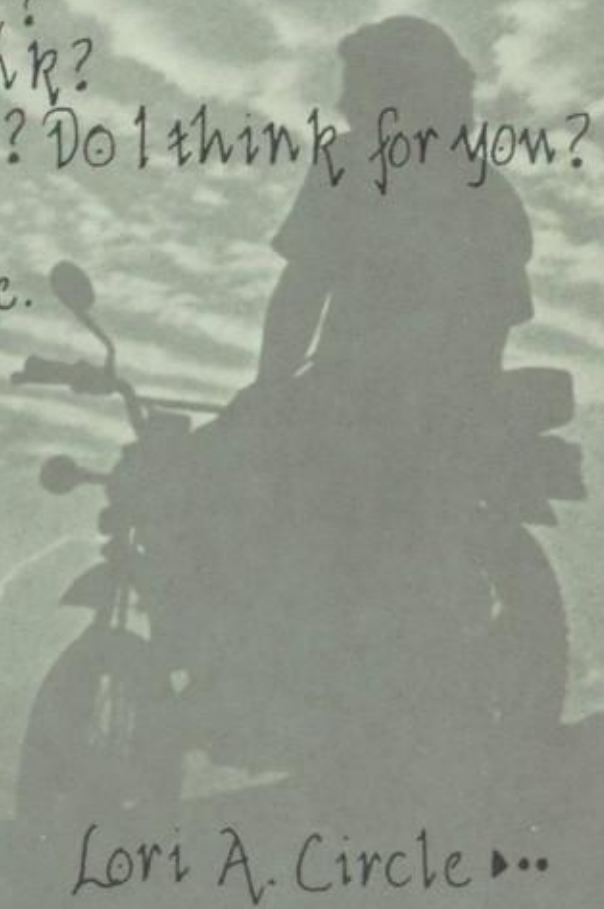

A Chat with myself

Do you know who I am?
Do I know myself?
Are you me? Am I you?
You're like a star far beyond.
Yet I know you're there.

The things you tell me,
Are they true?
I listen to you; do you listen to me?
Do you care?
Why won't you answer?

Do you know what I think?
Do I know what you think?
Do you think for yourself? Do I think for you?
Like a fish in a swamp,
Among thousands, you're one.

Do you know who I am?
Do I know myself?
You are me. I am you.
We are body and mind,
Of human life.
